Joshua King,2022-12-05 Now is a great time to be a saver We earn 3% interest through a high yield savings account That is completely free money just for saving in a certain institution How will we use these interest payments First we can reinvest in our HYSA But we can also take this money and invest into higher yield products safely Either way HYSAs are a start on the passive income path Our kids will follow how we travel the course so it s time to move beyond our comfort zone Good Luck

High-Yield Savings Accounts Vs. Standard Savings Accounts JOSHUA. KING,2025-03-18 Do you want to save your money in a bank account that pays 0.1% That isn t enough money for anything I prefer to save my emergency fund in a high yield savings account that pays 4.0% or higher Over 30 years a 15 000 deposit in a high yield savings account would become 45 000 while the same 15 000 would grow to 15 500 in a standard savings account The first step to financial freedom is following a strict budget After that you must save in a high yield savings account to give every dollar a mission Good Luck

Getting Started with High-Yield Savings Accounts Joshua King,2023-05-03 High Yield Savings Accounts are unique products we can use to bolster our savings rate However the average person does not use an HYSA to save for emergencies or home down payments Why Perhaps they need to learn about HYSAs or fear putting their money into an online only bank Either way we will break down those barriers today to start investing in one of my favorite products on the market Good Luck
