Harper DuQuaine is back for another season of fantasy football. This time she's a year wiser and prepared to dominate the league. But while she finally seems to have her fantasy life in order, reality proves more challenging. Her plans to peacefully play house with her boyfriend come to a halt when the high school suddenly names Brook its head football coach. The promotion comes with more responsibility on the field and less time at home. It also unexpectedly means more work for Harper, who already has her hands full helping a friend pull off the perfect proposal while dodging questions about when she and Brook are going to get hitched. Already! Plus a new development at work could leave her and half of the fantasy league jobless. With the complications of her career and being Mrs. Coach adding up, Harper wonders if she's committed to the life she's already building or if there is something else out there.
