A dead friend A reason to leave A warning murder The Pelican Bay police have pulled more than fish from the water Now they ve found a new dead body Images of this gruesome murder and what it means will haunt Vonnie until she finds the person responsible for killing her friend Unless they find her first Things are never calm for our favorite private investigator Thanks to her quick detective work a cherished family member now sits behind bars in the county jail The scandal means her mother won t take her calls and now her sister is about to follow a redeemed murderer across the country Has everyone lost their mind Without a proper office two additional house guests and a boyfriend ready to make the move to Florida without her Vonnie must locate a cheater and solve the murder before she ends up swimming with the fishes herself Race back into the drama with this hilarious adventure seeking PI as she saves the day in her newest romantic murder mystery **Logistics and Power** Susan

Zieger,2025-09-09 From supply chains to surveillance how logistics drives modern power and its consequences Movement is

the lifeblood of capital even more so than growth If goods people and information don't flow then profits don't either Ensuring that laborers shipping containers media commercially valuable data and much else are in the right place at the right time demands a subtle choreography Enter logistics Susan Zieger argues that logistics is the foundation of power in our time Blending detailed historical research with real life stories that crystallize the human and ecological consequences of supply chains Logistics and Power shows how the pursuit of efficient movement has come to organize economies while disordering societies and selves Logistics emerges as the key to consumerism and the experience of work It justifies corporate and police surveillance illuminates patterns of migration and exploitation and explains why the oceans are clogged with plastic It is in the sphere of logistics that capitalist motives are most dramatically in tension with planetary needs A headfirst encounter with the obscure forces subordinating all goals below those of capital Logistics and Power points the way to an alternative a mindful and politically attentive kind of movement compatible with human thriving
