Bronwen Thomas

Goodreads Choice Update:

Come As You Are: Revised and Updated Emily Nagoski, 2021-03-02 A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are* featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently and far less seriously than its male counterpart. That is until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it, and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

The Turn of the Key Ruth Ware, 2020-05-12 INSTANT NEW YORK TIMES BESTSELLER A superb suspense writer Brava Ruth Ware! I daresay even Henry James would be impressed. Maureen Corrigan, author of *So We Read On*. This appropriately twisty *Turn of the Screw* update finds the Woman in Cabin 10 author in her most menacing mode, unfurling a shocking saga of murder and deception. Entertainment Weekly: From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she's looking for something else, completely. But it seems like too good an opportunity to miss: a live-in nanny post with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten by the luxurious smart home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare, one that will end with a child dead and herself in prison, awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn't just the constant surveillance from the home's cameras or the malfunctioning technology that woke the household with booming music or turned the lights off at the worst possible time. It wasn't just the girls who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time with no adults around, apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post and that her behavior toward the children wasn't always ideal. She's not innocent by any means. But she maintains she's not guilty, at least not of murder, but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

Fic Anne Jamison, 2013-11-26 What is fanfiction and what is

it not Why does fanfiction matter And what makes it so important to the future of literature Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading writing and authorship It s a story about literature community and technology about what stories are being told who s telling them how and why With provocative discussions from both professional and fan writers on subjects from Star Trek to The X Files and Buffy the Vampire Slayer to Harry Potter Twilight and beyond Fic sheds light on the widely misunderstood world s of fanfiction not only how fanfiction is transforming the literary landscape but how it already has Fic features a foreword by Lev Grossman author of The Magicians and interviews with Jonathan Lethem Doug Wright Eurydice Vivean Dean and Katie Forsythe wordstrings Cyndy Aleo algonquinrt d0tpark3r V Arrow aimmyarrowshigh Tish Beaty his_tweet Brad Bell Amber Benson Peter Berg Homfrog Kristina Busse Rachel Caine Francesca Coppa Randi Flanagan BellaFlan Jolie Fontenot Wendy C Fries Atlin Merrick Ron Hogan Bethan Jones Christina Lauren Christina Hobbs tby789 and Lauren Billings LolaShoes Jacqueline Lichtenberg Rukmini Pande and Samira Nadkarni Chris Rankin Tiffany Reisz Andrew Shaffer Andy Sawyer Heidi Tandy Heidi8 Darren Wershler Jules Wilkinson missyjack Jen Zern NautiBitz

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

Social Justice, the Common Core, and Closing the Instructional Gap Janet C. Richards, Kristien Zenkov, 2015-10-01 There is little doubt that the Common Core State Standards CCSS are a controversial entity They are provocative for the way in which they have been developed for the ways they are being implemented and evaluated for their content and for their failure to explicitly consider the needs interests and histories of diverse populations While the CCSS continue to be problematized by critics around the country including the editors of this volume it is evident our nation is moving toward some would argue we have arrived at a national set of standards and or a national curriculum This text will be an important volume for multiple audiences in large part because it will bring together critical perspectives on the CCSS and the notion of national standards curricula It will simultaneously provide a social justice orientation as a way to interpret the CCSS and respond to their limits while presenting practical examples of social justice oriented CCSS focused curricula that empower diverse learners and their teachers Social Justice

the Common Core and Closing the Instructional Gap will consist of chapters by classroom teachers and university scholars who portray honest engaging first person accounts of their successes and challenges connecting a social justice pedagogical orientation to the Common Core State Standards These authors candidly and passionately share the challenges of navigating between a social justice curriculum and high stakes standards and test driven environments They highlight their accomplishments that include effectively supporting students to consider social injustices and devise plans to work toward a more equitable world

You Will Be Made to Care Erick Erickson,Bill Blankschaen,2016-02-22 Religious liberty is under attack in America Your freedom to believe may not last much longer To all those who say they don t care about the culture war Erick Erickson has only one response The Left will not let you stay on the sidelines You will be made to care Now the former Editor in Chief of RedState com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion secularism one intent on systematically imposing its agenda and frightening doubters into silence The book features first hand accounts from Christians who ve been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can t afford to ignore what s happening not anymore You Will Be Made to Care offers hope for preserving freedom of conscience with practical steps that believers families pastors church leaders and citizens can take to resist tyranny and experience a resurgence of faith in America
