Vidergor,Carole Ruth

Harris,2015-07-21 This book is a comprehensive study and guide for the classroom teacher the gifted program coordinator

and the graduate student who are challenged daily to provide for individual children who differ markedly but come under the umbrella of giftedness. It serves as a wellspring that derives from theory while it offers practical application of theoretical construct in a wide variety of international settings from leaders in the field who demonstrate implementation of proven and field tested techniques and alternative scenarios to accommodate every classroom situation. Contributors are internationally recognized experts who have come together to provide a sound reliable source for teachers of the gifted that will be utilized time and time again by practitioners and researchers alike. Among internationally renowned scholars are Joyce Van Tassel Baska, Susan Johnsen, June Maker, Belle Wallace, Linda Kreger Silverman, Dorothy Sisk, Gillian Eriksson, Miraca Gross, Gilbert Clark, Enid Zimmerman, and Rachel McAnallen. Hava E. Vidgor, Ph.D., is lecturer of innovative pedagogy and curriculum design at Gordon Academic College and Arab Academic College of Education and holds a Ph.D. in Learning Instruction and Teacher Education with specialization in Gifted Education from the University of Haifa, Israel. Carole Ruth Harris, Ed.D., formerly Director of GATE S Research Evaluation, is a consultant in education of the gifted in Central Florida who holds the doctorate from Columbia University where she studied with A. Harry Passow and A. J. Tannenbaum. She has served as Associate in International Education at Harvard University, Research Associate at Teachers College, Columbia University, lecturer at University of Massachusetts Lowell and University of Hawaii, Principal Investigator at Research Corporation of the University of Hawaii, and Director of the Center for the Gifted in Ebeye, Marshall Islands.

Teaching Kids with Learning Difficulties in Today's Classroom Susan Winebrenner, Lisa Kiss, 2017-02-28. A gold mine of practical easy to use teaching methods, strategies, and tips to improve learning outcomes for students who score below proficiency levels. This fully revised and updated third edition of *Teaching Kids with Learning Difficulties in Today's Classroom* provides information on integrated learning, problem solving, and critical thinking in line with Common Core State Standards and 21st century skills. It reflects the use of technology and schoolwide cluster grouping in support of all students and includes proven practical classroom tested strategies and step by step instructions for how to use them. Sidebars throughout highlight special information for working with students on the autism spectrum. Tech tips describe technologies that are especially useful for kids with LD. Digital content includes all of the book's customizable forms, additional content organization charts, and a PDF presentation for book study groups and professional development.

Chief Officer: Principles and Practice includes Navigate Advantage Access David Purchase,2019-12-06 The National Fire Protection Association NFPA and the International Association of Fire Chiefs IAFC are pleased to present you with the third edition of Chief Officer Principles and Practice The Third Edition addresses both Fire Officer III and Fire Officer IV levels of the 2020 Edition of NFPA 1021 Standard for Fire Officer Professional Qualifications and is designed to help future chief officers as they transition from company officer and become problem solving leaders for their organization Good leadership is an essential element in the successful operational management of any organization Today s chief officers must prepare themselves and the staff they lead to navigate powerful

trends including political ethical legal and sociological that are likely to shape the fire service impacting department structures and roles in the community and altering the demands placed not only on fire service leaders but also on the personnel they lead The Third Edition features exceptional content to prepare today s fire service leaders to develop the leadership skills necessary to excel in their position and motivate their department members to become an efficient effective and safe response force New to the Third Edition A section on media relations programs that addresses communication methods policy development and crisis management A discussion of department risk management including the importance of creating a risk management plan taking an inventory of potential risks faced by department employees and implementing control measures to correct deficiencies A section on preparing to deal with an active shooter or hostile event situation A discussion of the ways generational differences may influence a department member s workplace expectations and preferences Expanded coverage of diversity policies and practices and consideration of LGBTQ rights to reflect the current workforce Information on long range planning including how to create a capital improvement plan and meet training needs The Third Edition features A clear division of Fire Officer III and IV content After Action Review sections that include detailed chapter summaries key terms and Chief Officer in Action case scenarios designed to reinforce chapter content New Deputy Chief and Fire Chief Activities that encourage students to take what they have learned about the Job Performance Requirements covered in the chapters and apply it to their own departments New case study continued from Fire Officer Principles and Practice Fourth Edition that addresses the progression of responsibility from Fire Officer I to Fire Officer IV

Antisocial Andrew Marantz, 2020-09-15 Trenchant and intelligent The New York Times As seen heard on NPR New Yorker Radio Hour The New York Book Review Podcast PBS Newshour CNBC and more A New York Times Book Review Editors Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet and how the cynical propagandists of the alt right exploited that freedom to propel the extreme into the mainstream For several years Andrew Marantz a New Yorker staff writer has been embedded in two worlds The first is the world of social media entrepreneurs who acting out of na vete and reckless ambition upended all traditional means of receiving and transmitting information The second is the world of the people he calls the gate crashers the conspiracists white supremacists and nihilist trolls who have become experts at using social media to advance their corrosive agenda Antisocial ranges broadly from the first mass printed books to the trending hashtags of the present from secret gatherings of neo Fascists to the White House press briefing room and traces how the unthinkable becomes thinkable and then how it becomes reality Combining the keen narrative detail of Bill Buford s Among the Thugs and the sweep of George Packer s The Unwinding Antisocial reveals how the boundaries between technology media and politics have been erased resulting in a deeply broken informational landscape the landscape in which we all now live Marantz shows how alienated young people are led down the rabbit hole of online radicalization and

how fringe ideas spread from anonymous corners of social media to cable TV to the President's Twitter feed Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed Will they be able to solve the communication crisis they helped bring about or are their interventions too little too late

The Complete Book of Colleges 2021 The Princeton Review, 2020-07 The mega guide to 1 349 colleges and universities by the staff of the

Princeton Review including detailed information on admissions financial aid cost and more Cover **Silent Parade** Keigo Higashino, 2021-12-14 With its stopwatch timing locked room murder and perplexing abundance of alibis Readers are in store for plenty of surprises Wall Street Journal Detective Galileo Keigo Higashino's best loved character from The Devotion of Suspect X returns in Silent Parade a complex and challenging mystery several murders decades apart with no solid evidence A popular young girl disappears without a trace her skeletal remains discovered three years later in the ashes of a burned out house There's a suspect and compelling circumstantial evidence of his guilt but no concrete proof When he isn't indicted he returns to mock the girl's family And this isn't the first time he's been suspected of the murder of a young girl nearly twenty years ago he was tried and released due to lack of evidence Detective Chief Inspector Kusanagi of the Homicide Division of the Tokyo Police worked both cases The neighborhood in which the murdered girl lived is famous for an annual street festival featuring a parade with entries from around Tokyo and Japan During the parade the suspected killer dies unexpectedly His death is suspiciously convenient but the people with all the best motives have rock solid alibis DCI Kusanagi turns once again to his college friend Physics professor and occasional police consultant Manabu Yukawa known as Detective Galileo to help solve the string of impossible to prove murders **Chief Officer: Principles and Practice**

includes Navigate Advantage Access David Purchase, 2019-12-06 The National Fire Protection Association NFPA and the International Association of Fire Chiefs IAFC are pleased to present you with the third edition of Chief Officer Principles and Practice The Third Edition addresses both Fire Officer III and Fire Officer IV levels of the 2020 Edition of NFPA 1021 Standard for Fire Officer Professional Qualifications and is designed to help future chief officers as they transition from company officer and become problem solving leaders for their organization Good leadership is an essential element in the successful operational management of any organization Today's chief officers must prepare themselves and the staff they lead to navigate powerful trends including political ethical legal and sociological that are likely to shape the fire service impacting department structures and roles in the community and altering the demands placed not only on fire service leaders but also on the personnel they lead The Third Edition features exceptional content to prepare today's fire service leaders to develop the leadership skills necessary to excel in their position and motivate their department members to become an efficient effective and safe response force New to the Third Edition A section on media relations programs that addresses communication methods policy development and crisis management A discussion of department risk management including the importance of creating a risk management plan taking an inventory of potential risks faced by department employees and

Switched On John Elder Robison, 2016-03-22 An extraordinary memoir about the cutting edge brain therapy that dramatically changed the life and mind of John Elder Robison the New York Times bestselling author of

Look Me in the Eye NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Imagine spending the first forty years of your life in darkness blind to the emotions and social signals of other people Then imagine that someone suddenly switches the lights on It has long been assumed that people living with autism are born with the diminished ability to read the emotions of others even as they feel emotion deeply But what if we've been wrong all this time What if that missing emotional insight was there all along locked away and inaccessible in the mind In 2007 John Elder Robison wrote the international bestseller Look Me in the Eye a memoir about growing up with Asperger's syndrome Amid the blaze of publicity that followed he received a unique invitation Would John like to take part in a study led by one of the world's foremost neuroscientists who would use an experimental new brain therapy known as TMS or transcranial magnetic stimulation in an effort to understand and then address the issues at the heart of autism Switched On is the extraordinary story of what happened next Having spent forty years as a social outcast misreading others emotions or missing them completely John is suddenly able to sense a powerful range of feelings in other people However this newfound insight brings unforeseen problems and serious questions As the emotional ground shifts beneath his feet John struggles with the very real possibility that choosing to diminish his disability might also mean sacrificing his unique gifts and even some of his closest relationships Switched On is a real life Flowers for Algernon a fascinating and intimate window into what it means to be neurologically different and what happens when the world as you know it is upended overnight Praise for Switched On An eye opening book with a radical message The transformations Robison undergoes throughout the book are astonishing as foreign and overwhelming as if he woke up one morning with the visual range of a bee or the auditory prowess of a bat The New York Times Astonishing brave reads like a medical thriller and keeps you wondering what will happen next Robison takes readers for a ride through the thorny thickets of neuroscience and leaves us wanting more The Washington Post Fascinating for its insights into Asperger's and research this engrossing record will make readers reexamine their preconceptions about this syndrome and the future of brain manipulation Booklist Like books by Andrew Solomon and Oliver Sacks Switched On offers an opportunity to consider mental processes through a combination of powerful narrative and informative medical context BookPage A mind blowing book that will force you to ask deep questions about what is important in life Would normalizing the brains of those who think differently reduce their motivation for great achievement Temple Grandin author of The Autistic Brain At the heart of Switched On are fundamental questions of who we are of where our identity resides of difference and disability and free will which are brought into sharp focus by Robison's lived experience Graeme Simsion author of The Rosie Effect

Creating and Promoting Lifelong Learning in Public Libraries Donna L. Gilton, 2016-06-21

Creating and Promoting Lifelong Learning in Public Libraries Tools and Tips For Practitioners is the sequel to *Lifelong Learning in Public Libraries Principles Programs and People* On the one hand *Lifelong Learning in Public Libraries* focuses on the information needs and the developmental and psychological characteristics of diverse library users of all ages It

endorses the use of ILI to promote lifelong learning in public libraries both by borrowing techniques from academic and school libraries and by building on existing public library traditions of programming and outreach This book also compares lifelong learning in public libraries to informal and nonformal education in museums community organizations and agencies places of worship and other organizations In addition Lifelong Learning in Public Libraries describes basic steps that librarians can execute in order to get started On the other hand Creating and Promoting Lifelong Learning in Public Libraries focuses much more on how public librarians can specifically plan and implement their instruction with chapters on planning for instruction using teaching methodologies teaching with and about technology and bringing ILI together with more traditional public library services programming and activities such as reference and Readers Advisory services bibliotherapy and cultural and literacy programming Changes in ILI standards and comparisons of ILI with basic reading media digital and cultural literacies are also described Both books together should act as basic manuals for public librarians who promote lifelong learning Creating and Promoting Lifelong Learning in Public Libraries also have helpful teaching hints for all librarians and other professionals who teach in a variety of settings
