Thier,2018-07-03 A book that looks at existence with equal measures of fear humility and gratitude In a time when novelists tend to be more concerned with psychology than the soul that makes it a rare and valuable thing Sam Sacks Wall Street Journal From the author of Mr Eternity a darkly comic road novel about a millennial couple facing the ultimate question how to live and love in an age of catastrophe Young Miami couple Murphy and Eva have almost decided to have a baby when Yahweh the Old Testament God appears to Eva and makes an unwelcome demand He wants her to be his prophet He also wants her to manage his social media presence Yahweh sends the two on a wild road trip across the country making incomprehensible demands and mandating arcane rituals as they go He gives them a hundred million dollars but he asks them to use it to build a temple on top of a landfill He forces them to endure a period of Biblical wandering in the deserts of the southwest Along the way they are continually mistaken for another couple a pair of North Carolina society people and find themselves attending increasingly bizarre events in their names At odds with their mission but helpless to disobey Murphy and Eva search their surroundings for signs of a future they can have faith in Through wry observations about the biggest things cosmology and theology and the smallest things the joys and irritations of daily life Thier questions the mysterious forces that shape our fates and wonders how much free will we really have Equal parts hilarious and poignant The World Is a Narrow Bridge asks What kind of hope can we pass on to the next generation in a frightening but beautiful world
