Audition Monologues

Trident

Tridenters, sorry ladies, gentlemen. We wouldn't want to lose old daddy's collection, now, would we? What Collectionist told me, that's my MY day, we had beautiful books when I lived in the palace. And now, look at me - (sighs) living in practically nothing - (sighs) and eating and practically starving, while he and his family take full advantage. Well, I'll give you something to celebrate soon enough. Trident (trident) I mean you to keep an extra close watch on this pretty little daughter of his. She may be the key to Trident's weakness! Ah ha ha ha ha!

Collectionist

(Leaving over side of ship feeling ill) Oh, yes ... delighted ... Prince Eric, just delighted. The salty sea air, the most interesting to prince Eric ... a perfect day to be at sea! What's that the sailor said, King Triton must be in a terribly-type mood? King Triton, ruler of the merpeople! (sarcastically)

Merpeople? Eric, pay no attention to their constant comments. Please say it's the truth, Triton? yes, "there is the depth of the ocean they live." Other comments, such, gaffers, but a touch of concern!

Sebastian

Your Majesty, this will be the finest evening I have ever conducted. Your daughters - they will be spectacular! Yes, and in regards to your (Eric) Eric, yes, that has the most beautiful voice ... (sings) It only (that) shows up for (sebastian) once in a while.

And now I present to you the daughters of Triton: Aquata, Andrina,

Ariel, Alana, Aulita, Allana and the youngest in her musical debut.

The seventh little sister, the king is using it personally since he has. Her voice is like a bell, presenting the youngest of the seven sisters ... (sings) ... and there she (sings) - let's try this again, presenting ... Ariel! Yes ... Ariel! Now where could that girl have gone off to this time!

Flounder

(From distance) Ariel, wait for me ... You know I can't swim that fast.

Then to let Eric is what's so fantastic? Yeah ... sure ... it's great. Now let's get under here. What now that? Did you hear something? Not that I'm getting into this or anything. It's just, it, me ... it looks - jump to them. Yeah. And I think I may be coming along with something. Yeah, I got this song. (Flounder sings something) OK. Yeah - yes, yes.

I'll stay and watch for - what? (sings) Ariel!

I'm not a guppy! This is great - I mean, I really love this. Excitement, excitement, danger (sings) around every corner - Yay!
