Moral Conflict When Social Worlds Collide:

Moral Conflict W. Barnett Pearce, Stephen W. Littlejohn, 1997-03-20 *Moral Conflict* the subject of this book is passionate and difficult to resolve Responses that are normally effective such as explaining persuading and compromising can make matters worse and drive people further apart in such conflicts Moral conflicts occur when incommensurate social realities come to clash Disputes about abortion religion in politics and education legal rights for homosexuals and environmental politics are issues in which well intentioned parties have created polarized and diverse patterns of communication The most virtuous actions of each side not only fail but widen the schism Such conflicts require us to find forms of communication that go beyond our normal ways of dealing with disagreement In an original synthesis of communication theory and their own research W Barnett Pearce and Stephen W Littlejohn describe a dialectical tension between the expression and suppression of conflict that can be transcended in ways that lead to personal growth and productive patterns of social action In *Moral Conflict* several projects are described as practical examples of these new ways of working through difficult struggles

Ethics of Peacebuilding Tim Murithi, 2008-12-08 This book explores the ethical dimension of peacebuilding In the aftermath of the Cold War the hope for a more stable and just international order was rapidly dissolved by the internecine conflicts that plagued all continents The Rwanda and Srebrenica genocides demonstrated the challenge of promoting peace in a world increasingly defined by intra state conflict and sub national groups confronting nation states Murithi interrogates the role that ethics plays in promoting and consolidating peacebuilding and presents a synthesis of moral philosophy and international relations and an analysis of the ethics of negotiation mediation forgiveness and reconciliation In its attempt to explore the extent to which ethical concerns influence and inform peacebuilding this book contributes to a growing body of literature on ethics and international relations which will enable students scholars and practitioners to ground their understanding of a principled peacebuilding

Communication and Conflict Transformation through Local,

Regional, and Global Engagement Peter M. Kellett, Thomas G. Matyók, 2016-12-13 Central to a transformational approach to conflict is the idea that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures and must be addressed as such This implies the need for systemic change at generative levels in order to create genuine transformation at the level of particular conflicts Central also to this book is the idea that the origins of transformation can be momentary or situational small scale or micro level as well as bigger and more systemic or macro level Micro level changes involve shifts and meaningful changes in communication and related patterns that are created in communication between people Such transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inwards to more micro levels This book engages this transformative framework Within this framework this book pulls together current work that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in local community regional environmental and global conflicts in various parts of the world The resulting volume presents an engaging mix of scholarly chapters think pieces and experiences from the field of practice The book embraces a wide variety of theoretical and methodological approaches as well as transformative techniques and processes including narrative dialogic critical cultural linguistic conversation analytic discourse analytic and rhetorical This book makes a valuable contribution to the ongoing dialogue across and between disciplines and people on how to transform conflicts creatively sustainably and ethically

Theorizing About Intercultural Communication William B. Gudykunst, 2005 In *Theorizing About Intercultural Communication* editor William B Gudykunst brings together key theories that have shaped and influenced human intercultural communication This text provides an excellent overview of the major theories currently in use and examines how these theories will also support the foundation for future research in this area Contributors to this text include individuals who actually developed the theories covered in the book Each contributor highlights the evolution development and application of the theory to provide a thorough and contemporary view of the field

The Handbook of Conflict Resolution Morton Deutsch, Peter T. Coleman, Eric C. Marcus, 2011-03-04 The *Handbook of Conflict Resolution* Second Edition is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels interpersonal intergroup organizational and international The Handbook covers a broad range of topics including information on cooperation and competition justice trust development and repair resolving intractable conflict and working with culture and conflict Comprehensive in scope this new edition includes chapters that deal with language emotion gender and personal implicit theories as they relate to conflict

Chinese Communication Studies Xing Lu, D. Ray Heisey, Wenshan Jia, 2002-06-30 Many varying factors contribute to the dynamics of Chinese communication which both resembles and differs from its

Western counterparts In this provocative new collection of essays an international group of scholars challenges the conventional notion of Chinese culture as static recognizing the causes of cultural change and strategies of resistance Examining communication contexts in mainland China Hong Kong and Taiwan Chinese Communication Studies Context and Comparisons considers the relationship between culture and communication in Chinese political gender family and media contexts providing the reader with insight both into how enduring Chinese cultural values are and how they are being appropriated to meet political and economic goals Moreover comparisons and distinctions are made between Chinese and Western communication concepts and practices on the issues of human rights world opinions pedagogical approaches and instruction of rhetoric In a work sure to be of value to many disciplines the authors trace the historical development of ideas and value systems of both cultures rendering an understanding of similarities and differences in both communication and cultural mindsets

Introduction to Conflict Resolution Sara Cobb,Sarah Federman,Alison Castel,2019-07-02 The field of conflict resolution has evolved dramatically during the relatively short duration of the discipline s existence Each generation of scholars has struggled with the major puzzles of their era providing theories and solutions that meet the needs of the time only to be pushed forward by new insights and at times totally upended by a changing world This introductory course text explores the genealogy of the field of conflict resolution by examining three different epochs of the field each one tied to the historical context and events of the day In each of these epochs scholars and practitioners worked to understand and address the conflicts that the world was facing at that time This book provides a framework that students will carry with them far into their careers enriching their contributions and strengthening their voices Rather than a didactic approach to the field students will develop their critical analytical skills through an inductive inquiry Students will broaden their vocabulary grapple with argumentation and develop critical reading skills

Theories of Human Communication Stephen W. Littlejohn,Karen A. Foss,John G. Oetzel,2021-05-07 For over forty years Theories of Human Communication has facilitated the understanding of the theories that define the discipline of communication The authors present a comprehensive summary of major communication theories current research extensions and applications in a thoughtfully organized and engaging style Part I of the extensively updated twelfth edition sets the stage for how to think about and study communication The first chapter establishes the foundations of communication theory The next chapter reviews four frameworks for organizing the theories and their contributions to the nature of inquiry Part II covers theories centered around the communicator message medium and communication with the nonhuman Part III addresses theories related to communication contexts relationship group organization health culture and society From the Source contributions from theorists provide insight into the inspirations motivations and goals behind the theories Online instructor s resource materials include sample syllabi key terms exam questions and text graphics The theories include those important for their continuing influence in the field as well as emerging theories that encourage thinking about issues in new ways For a

reasonable price readers are able to explore the patterns trends trajectories and intricacies of the landscape of communication theory and will have an invaluable resource for future reference *Making Social Worlds* W. Barnett Pearce, 2007-11-05 *Making Social Worlds* A Communication Perspective offers the most accessible introduction to the tools and concepts of CMM Coordinated Management of Meaning one of the groundbreaking theories of speech communication Draws upon advances in research for the most up to date concepts in speech communication Defines the critical moments of communication for students and practitioners encouraging us to view communication as a two sided process of coordinating actions and making managing meanings Questions how we can intervene in dangerous or undesirable patterns of communication that will result in better social worlds Persuasion and Social Movements Charles J. Stewart, Craig Allen Smith, Robert E. Denton (Jr.), 2001 Canadian Journal of Native Education , 2008 *Communication Ethics: Between Cosmopolitanism and Provinciality* Kathleen Glenister Roberts, Ronald C. Arnett, 2008 This volume occasions a dialogue between major authors in the field who engage in a conversation on cosmopolitanism and provinciality from a communication ethics perspective There is no consensus on what constitutes communication ethics cosmopolitanism or provinciality the task is more modest and diverse and began with contributors being asked what the bias of their work suggests or offers for understanding the theme Communication Ethics Between Cosmopolitanism and Provinciality Rather than responding authoritatively each essay acknowledges the contributor s own work This book offers no answers but invites a conversation that is more akin to a beginning a joining an admission that there is more than me us or my kind of people theory or wisdom The book will be an excellent resource for instructors and for upper level undergraduate and graduate courses in communication *American Book Publishing Record* , 1997 **Socially Constructing Communication** Gloria J. Galanes, Wendy Leeds-Hurwitz, 2009 The idea for this book originated at NCA s Summer Institute Catching Ourselves in the Act A Collaborative Planning Session to Enrich our Discipline through Social Constructionist Approaches The conference provided the opportunity to interact with like minded others to discuss how social construction approaches influence or should influence our work Another goal for the conference and for this book is to promote social construction approaches within the discipline We need to look forward by focusing on how the social construction perspective transforms our own work When we teach how can we best clarify the social construction principles we believe in and how can we convey the passion we feel for this approach How can we insure that our research practices are faithful to constructionist principles What practices can we or must we adopt to remain faithful to these principles Together the chapters in this volume address such questions with the intention of helping us take the next step forward This book extends the conversation about social constructionism approaches and invites others to participate in that conversation **Hamline Journal of Public Law and Policy** , 2005 **Engaging Communication in Conflict** Stephen W. Littlejohn, Kathy Domenici, 2001 This book uses a communication perspective to address insights and methods in private mediation small group facilitation system design large

scale interventions and public issue management **Rhetoric and Public Affairs** ,1999 **Encyclopedia of Violence, Peace, & Conflict: A-F** Lester R. Kurtz,2008 Provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life An essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change *Bibliographic Index* ,1997
