More Than A Carpenter Personal Evangelism 6 Pack:

Evidence for the Resurrection Josh McDowell, Sean McDowell, 2010-12-09 When Jesus died on the cross it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared alive. The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

Undaunted Josh McDowell, 2012-08-17 Undaunted, both the book and movie, chronicles the riveting true story of a young farm boy named Josh who carried unspeakable memories of an alcoholic father and a farmhand's abuse, causing him to defy God's existence. Yet God redeemed a horrible situation with his unbelievable grace. Today, Josh McDowell is one of the most popular evangelists in the world who defends the reality of Jesus Christ to millions through his presentations and classic book. More Than a Carpenter Undaunted unfolds the dramatic spiritual transformation in Josh's life when he faces his past head-on and puts everything entirely in God's hands. The result is an undaunted faith, a gift freely offered to everyone who seeks it.

How to Know God Exists Josh D. McDowell, Thomas Williams, 2022-11 Three questions are etched into everyone's subconscious: Who am I? Why am I here? Where am I going? Josh McDowell and Thomas Williams team up to show why nothing short of God answers these questions. But the problem is that in today's secularized culture, God has largely been banished. How to Know God Exists explores in depth solid reasons for believing in God and restoring him to his rightful place in our lives. Josh McDowell is widely known for his powerful defenses of God based on historical and biblical evidences. In this book, he and Thomas take a new direction and present often unexplored but formidable evidences based on sheer reason, observable reality, and solid science. They show that belief in God is not the blind, unthinking, and intellectually indefensible fancy of today's secularism; it makes it out to be. How to Know God Exists will offer rational defenses for the existence of God, truth, morality, meaning, and reason. Open vistas of beauty and joy, denied to readers by the sterility of secularism, use reason, logic, experience, and common sense to show that God offers the truth required to make sense of reality and bring meaning and joy to life. By reason and common sense, How to Know God Exists shows that meaning itself is rooted in the existence of God.
