Mortal Blessings A Sacramental Farewell:

Mortal Blessings Angela Alaimo O'Donnell, 2014-09-08 In this lyrical adieu to her mother renowned Catholic essayist poet and professor Angela O'Donnell explores how the mundane tasks of caregiving during her mother's final days bathing feeding taking her for a walk in her wheelchair became rituals or ordinary sacraments that revealed traces of the divine With Joan Didion's grasp of grief the spiritual playfulness of Mary Karr and the poetic agility of Kathleen Norris Angela Alaimo O'Donnell narrates the events that followed her mother's fall and the broken hip that led to surgery As O'Donnell and her sisters cared for their mother's failing body during the last days of her life they unconsciously observed rituals that began to take on a deeper importance Bathing her each morning was a kind of baptism the nightly feeding of pie took on a Eucharistic significance trimming and polishing nails became a kind of anointing Beyond the seven there are the myriad sacraments they made up the sacrament of community via cell phone the sacrament of wheelchair pilgrimage around the nursing home and the sacrament of humor and laughter This deeply human portrait of loss is balanced by the surprising grace found in letting go it will resonate with any spiritual reader but especially caregivers and those currently in grief Theological and

Philosophical Explorations of the Call of Literature David Lonsdale, Emilia Di Rocco, Brett H. Speakman, 2025-05-23 This book explores the call of literature for both writers and their audiences and reflects on how literary works have informed and drawn from and continue to inform and draw from theology philosophy and sacred scripture Key questions addressed include the following How do creative writers and critics conceive this call What does it mean to speak of a vocation to write and what have theologians and philosophers got to say on the matter Is the spirit of literature always or necessarily an angel of light Or is the call of literature a siren song The essays by an international and interdisciplinary range of contributors discuss the work and testimony of writers from William Blake Gerard Manley Hopkins and R S Thomas to James Joyce Virginia Woolf and Michel Houellebecq Also examined are the ideas and influence of figures such as John Henry Newman who wrote that the importance of literature stems from our very nature and God-given powers as human beings especially language This latest volume from The Power of the Word Project will be of interest to scholars from theology philosophy and literature

Liguori,2010-09 It will be seen that the following Manual of Devotion consists of a series of chapters or instructions upon important points of Christian teaching which are called Considerations These Considerations are written for the purpose of pricking or of wounding the conscience it may be in many points that so it may be thoroughly aroused and awakened of exciting that is compunction of the soul real remorse of conscience for past as well as for present coldness and dryness It must be a very hard heart indeed which is not moved by these Considerationsso touchingly simple are they so plain and so wholly true They deal with such doctrines and facts as have an universal application which admit of no dispute and which are always confirmed by some passage from Holy Scripture It must be allowed on all hands that it is necessary for the soul to be aroused to feel its own needs to regard its own wounds that so it may be directed to a source where these needs can be supplied and these wounds be healed One great aim of this Treatise is to arouse as well as to direct the mind to lead it to

consider its own wants and to seek by prayer to have those wants supplied The book is essentially a guide to prayer It represents from its beginning to its end the continual outpouring of heart before God an outpouring that is of times expressed in the very same words which imply at the same time a new phase of thought Regarded as a Manual of Mental Prayer each of these Considerations has a technical and special signification They treat of life and death of the value of time of the mercy of God of the habit of sin of the general and particular judgments of the love of God of the Holy Communion and of kindred subjects equally important The Consideration as here used implies far more than a mere inquiry Its equivalents the Italian Consideration and the Latin Consideration do not fully express its particular meaning in this Treatise where it stands for a reflectional meditation It calls into play the exercise of the memory which puts together all the circumstances of the subject under notice it excites the imagination which represents as in a picture all such circumstances bringing them vividly before the mind s eye and lastly it urges the will so to fix and detain these things in the soul that by its own effort it may unite itself with the will of God so that God s will and the will of man may become one

Christ in His Ordinances. A farewell sermon [on John xiv. 6]. John Purchas,1853 *John Paul II on the Vulnerable* Jeffrey Tranzillo,2013 Pope John Paul II was a great defender of truly vulnerable human beings throughout his life affirming their personhood consistently and powerfully In John Paul II on the Vulnerable Jeffrey Tranzillo provides a lucid introduction to John Paul II s philosophical and theological understanding of the human person Unlike other writings on the topic Tranzillo s explicit aim is to highlight an aspect of John Paul s work that has been largely neglected until now He shows convincingly that John Paul s seminal reflections on the human being as a personal agent progressed over time to include human beings at even the most vulnerable stages of development or decline With this advance in thought the pontiff began to declare eloquently that the vulnerable are capable of contributing to and enriching the human community through their activity An engaging overview of John Paul II s life thought and work introduces the book and provides readers with helpful background material It shows that John Paul s interest in and lofty regard for the human person is rooted in his strong Catholic faith and in the extraordinary life experiences that he interpreted in its light Following this is an examination of his principal works on the human person emphasizing their implications for vulnerable human beings as persons and actors Tranzillo considers this theme in the light of selected Christological texts of John Paul II and then reflects on John Paul s portrayal of the vulnerable

in his social encyclicals and *Evangelium Vitae* A final chapter develops the anthropological underpinnings of John Paul's thought on the radically vulnerable and their personal agency

ABOUT THE AUTHOR Jeffrey Tranzillo received his Ph.D. in systematic theology from the Catholic University of America and has taught at both the undergraduate and graduate levels

PRAISE FOR THE BOOK This is a masterful work one of the very best books I have read exploring the thought of John Paul II

Jeffrey Tranzillo provides a compelling and theologically rich account of John Paul II's Christian anthropology showing how it grounds his understanding of the inalienable dignity of every human being particularly the vulnerable

Elements of John Paul II's papacy may fade with time but this extraordinary book keeps the pope's enduring philosophical and theological insights glowingly alive

Apostle of Union Matthew Mason, 2016-09-02

Known today as the other speaker at Gettysburg Edward Everett had a distinguished and illustrative career at every level of American politics from the 1820s through the Civil War

In this new biography Matthew Mason argues that Everett's extraordinarily well-documented career reveals a complex man whose shifting political opinions especially on the topic of slavery illuminate the nuances of Northern Unionism

In the case of Everett who once pledged to march south to aid slaveholders in putting down slave insurrections Mason explores just how complex the question of slavery was for most Northerners who considered slavery within a larger context of competing priorities that alternately furthered or hindered antislavery actions

By charting Everett's changing stance toward slavery over time Mason sheds new light on antebellum conservative politics the complexities of slavery and its related issues for reform-minded Americans and the ways in which secession turned into civil war

As Mason demonstrates Everett's political and cultural efforts to preserve the Union and the response to his work from citizens and politicians help us see the coming of the Civil War as a three-sided not just two-sided contest

Catalina W. Somerset Maugham, 2022-08-01

In *Catalina* W. Somerset Maugham crafts a poignant narrative that delves into the complexities of love identity and societal expectations

Set against the backdrop of early 20th-century Spain the novel follows the eponymous protagonist a spirited woman torn between her desires and the rigid conventions of her time

Maugham's literary style is marked by his keen psychological insight and richly evocative descriptions making the vibrant setting a character in its own right

This work infused with Maugham's characteristic wit and critical eye serves as a reflection on the struggles of women in a rapidly changing world

Maugham a prominent figure in modern literature was known for his keen observations on human nature and intricate character studies

His extensive travels and experiences in diverse cultures provided him with a unique lens through which to examine the disparities between personal aspirations and societal norms

Catalina is particularly enriched by Maugham's exposure to various artistic movements and his own reflections on the art of storytelling

For readers seeking a compelling exploration of individuality against the backdrop of societal restraint *Catalina* is a must-read

Maugham's nuanced portrayal

of his characters will resonate with anyone who has grappled with the tension between duty and personal fulfillment This novel invites its audience to reflect on the eternal conflict of love and freedom
