Netflix's Speculative Fictions Colin Jon Mark Crawford, 2020-12-10 Netflix's Speculative Fictions Financializing Platform Television argues that Netflix's scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi-sited narrative of value found in the company's investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful The Last Comics on Earth: A Song of Swords and Stuffies Max Brallier, Joshua Pruett, 2025-04-29 The third installment of the New York Times bestselling graphic novel series based on the worldwide phenomenon The Last Kids on Earth After one-upping themselves with a triumphant follow-up to their bestselling comic book the Last Kids on Earth are met with unexpected competition Skaelka has written her own comic and it's selling like hotcakes Determined to reclaim their 1 spot our heroes get to work to create the ultimate threequel When a vicious monster attacks Apocalyptia a group of adorably fluffy and delightfully stinkin' cute mascot-shaped heroes arrive on the scene to help the Laser Blade Hero Squad Forming an alliance with our heroes they agree to look after Apocalyptia while the Savage Aloner is called home on a mission to save his people from a mysterious threat The entire land and its citizens have been cutified Now it's up to Savage and our heroes to get to the bottom of things before Barbarious Fantastica and the rest of Apocalyptia becomes permanently adorable The Last Comics on Earth: Too Many Villains! Max Brallier, Joshua Pruett, 2024-04-30 The New York Times and USA Today bestselling series from worldwide phenomenon Max Brallier a spin-off based on the mega bestselling The Last Kids on Earth Jack June Quint and Dirk face their biggest challenge yet creating the sequel to their hit graphic novel And like all sequels it must be BIGGER BETTER and PACKED WITH EVEN MORE NEAT STUFF While the kids get to work their superhero alter egos make a startling discovery supervillains do not come up with their own evil plans The shocking truth Every supervillain scheme comes from the mind of a single mysterious bad guy Now Jack June Quint and Dirk's BIGGEST SEQUEL IN HISTORY has our superheroes in a mad dash puzzle-filled race across Apocalyptia to stop the BIGGEST EVIL PLAN IN HISTORY The Last Kids on Earth: The Graphic Novel Max Brallier, 2024-11-05 The original 1 New York Times bestselling The Last Kids on Earth is now a full-color graphic novel Ever since the monster apocalypse hit

town average thirteen year old Jack Sullivan has been living in his tree house which he s armed to the teeth with catapults and a moat not to mention video games and an endless supply of Oreos and Mountain Dew scavenged from abandoned stores But Jack alone is no match for the hordes of Zombies and Winged Wretches and Vine Thingies and especially not for the eerily intelligent monster known only as Blarg So Jack builds a team his dorky best friend Quint reformed middle school bully Dirk Jack s loyal pet monster Rover and the fiercest girl Jack knows June With their help Jack is going to slay Blarg achieve the ultimate Feat of Apocalyptic Success and be average no longer Can he do it Childhood and Innocence in American Culture James M. Curtis,2023-08-01 This collection argues that the romanticized conflation of childhood and innocence in American culture has been on a steady decline at least since the 1960s largely due to postmodern critiques of overarching narratives involving both the child and the innocence of childhood Additionally this collection highlights and analyzes examples of children s literature and culture throughout the 20th century and into the 21st which pointedly defy traditional idealized notions of childhood Such an analysis serves to reiterate the idea that the romanticized notion of childhood which has pervaded American culture for over two centuries is little more than a cultural construction that bears little to no resemblance to the actual lived experience of American children **New York** ,2009-07 **Patterns of Entrepreneurship Management** Jack M. Kaplan,Jack McGourty,2020-08-04 Patterns of Entrepreneurship Management 6th Edition is the essential roadmap for anyone interested in starting a new venture whether for profit or social enterprise Featuring updated themes new cases and enhanced interactive learning tools the sixth edition of Patterns of Entrepreneurship Management addresses the challenges issues and rewards real life entrepreneurs encounter when starting and growing a venture in today s complex world Using its innovative Roadmap approach this practical guide enables students and aspiring entrepreneurs to design execute and maintain their business plan covering every essential step of the entrepreneurial process from turning an idea into a business model to securing funding and managing resources To support student venture development and faculty facilitation of associated topics the authors have added over 30 worksheets that serve as prompts to help students focus on what should be considered at each stage of venture development For each chapter specific Best Practices associated with each worksheet have been included to help students understand the theory and or rationale behind the prompts helping the student connect the work with where they are in the venture process The authors draw from their extensive experience launching new ventures and educating thousands of students globally to provide a unique hands on approach to developing the skills required to start and build a company in the modern business environment Discussions focus on the real life challenges facing startup founders important issues such as how to drive continuous innovation and how to create a company culture that maximizes success The New York Times Magazine ,2008 *Information Technology for Management* Efraim Turban,Carol Pollard,Gregory Wood,2021-04-06 Information Technology for Management 12 Edition provides students with a comprehensive understanding of the latest technological developments in IT and the critical drivers of
