Integrating Business, Management and Organisation Scholarship Richard Breese, 2025-12-01 Businesses deliver value to their stakeholders including customers employees suppliers communities and shareholders Therefore value creation is pivotal to management theory but there is a lack of agreement amongst scholars about value at the conceptual level This book uses invariant properties of human activities to develop a novel theory of value to help resolve controversies and integrate scholarship from different specialisms To establish boundaries for the task of integration business management and organisation scholarship is identified as being an applied supra disciplinary mega field Its fragmented nature means that different academic fields such as strategic management and marketing approach the concept of value in distinct ways based on their respective roots in economics and other social sciences Tracing the evolution of ideas on value over time a new theoretical framework is developed the integrating theory of value co creation as an alternative to existing theories on value creation for individuals and organisations The cornerstone of the integrating theory of value co creation is that exchange is the fundamental basis for value co creation which enables it to cover both provider and customer perspectives Given its interdisciplinary approach this book will appeal to any social scientist interested in the management of organisations

Directory of Research Grants 2008 Schoolhouse Partners Llc, 2008-05 It was the 50s and life was simple until September 25 1954 That was the night that would be etched in the memory of the citizens of Stanfield Massachusetts The Chief of Police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city A fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer A Thread of Evidence places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children With a piece of crochet thread as their only clue the entire police department lead by detectives Steven Logan and Raymond Gage scour the city in search of a maniacal savage When all tips and leads have been exhausted they review all evidence They come back to the thread The only real evidence With tenacity and perseverance of Logan and Gage the killer is apprehended The reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence A Thread of Evidence has been written as fiction but inspired by an actual event Fifty years later it remains etched in the minds of all who had lived in the area The author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime The story has been
