Conservatives are busy trying to save the world The world is going to heck in a handbasket and liberals are trying to figure out whether to hold angry peace rallies or celebrate the environment by leaving their signs on the grass for productive people to clean up If only they knew how many trees and bunny rabbits were murdered on 9 11 by people unconcerned with carbon emissions Liberals like to declare every conservative on the planet to be either evil or stupid Ideological Idiocy is about their declaration of our being unenlightened dolts This is ideological idiocy Having liberals declare the author stupid is like listening to members of the KKK call him insensitive Conservatives must remember that our critics do not matter Nobody listens to these crying children For those that do not have a blunt instrument nearby or are looking for a solution that avoids jail humor is a powerful weapon Use it against the left every moment they breathe They may get offended but that is the point The only thing that the author wants to communicate in this book is that without love and laughter there is no life Nothing he does will change the world but if it gets a stiff person to lighten up and smile he is pleased **Sports, Media,**

and Society Kevin Hull,2024-03-26 Whether espoused by sports leagues teams or individual athletes social issues are part of the sporting world fabric The sports media often plays the gatekeeper deciding how messages are presented and to what extent they re covered if at all Sports Media and Society investigates the impact of societal issues in sports and how the media reports those stories Why does the sports media operate in the manner that it does and what s the impact of its

decisions on the audience With Sports Media and Society there is now a resource that combines mainstay class discussion points current case studies and theoretical and historical foundations in one comprehensive text The book s 34 chapters are each short and concise a format preferred by instructors covering a wide range of topics and easily digestible for students Part I covers sports media history and the media s role as gatekeeper Chapters explore the history and evolution of various media newspapers magazines radio television and social media and the business of and competition between sports media entities Case studies examine NBC s Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television s impact on how fans follow sports Discussions include ABC s Wide World of Sports which exposed viewers to events around the globe ESPN s foray into 24 7 sports coverage and Fox Sports shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick USWNT and coverage of women s sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow s sports journalists and communicators to venture beyond the how tos of developing content to understanding the whys behind it
