How to end a love story Yulin Kuang,2024 Helen Zhang hasn t seen Grant Shepard once in the thirteen years since the tragic accident that bound their lives together forever Now a bestselling author Helen pours everything into her career She s even scored a coveted spot in the writers room of the TV adaptation of her popular young adult novels and if she can hide her imposter syndrome and overcome her writer s block surely the rest of her life will fall into place too LA is the fresh start she needs After all no one knows her there Except Grant has done everything in his power to move on from the past including building a life across the country And while the panic attacks have never quite gone away he s well liked around town as a screenwriter He knows he shouldn t have taken the job on Helen s show but it will open doors to developing his own projects that he just can t pass up Grant s exactly as Helen remembers him charming funny popular and lovable in ways that she s never been And Helen s exactly as Grant remembers too brilliant beautiful closed off But working together is messy and electrifying and Helen s parents who have never forgiven Grant have no idea he s in the picture at all When secrets come to light they must reckon with the fact that theirs was never meant to be any kind of love story And yet the key to making peace with their past and themselves might just lie in holding on to each other in the present
