Socialnomics It's obvious that Erik Qualman's passion is social media Dan Heath New York Times bestselling coauthor of *Made to Stick* and *Switch* People are hot for social media Erik Qualman says it's about listening first then selling Forbes Erik Qualman has been doing his homework on the social media phenomenon The Huffington Post This is a must read for anyone trying to leverage the social graph rather than be squashed by it Steve Kaufer CEO TripAdvisor You learn a lot about someone from how they treat their moms Erik is a trustworthy guy Chris Brogan New York Times bestselling author of *Trust Agents* and *Social Media 101* Qualman is to social media what Demming is to quality and Drucker to management Scott Galloway Professor Stern School of Business NYU The newly revised and updated guide to the social media revolution Welcome to the world of Socialnomics where consumers and the societies they create online have profound effects on our economy and the businesses that operate within it Online word of mouth social search social commerce and the influence of peer groups are making traditional marketing strategies obsolete As a result we no longer have a choice on whether we do social media the question is how well we do it Join Erik Qualman in Socialnomics for a fascinating look at the business implications of social media and tap its considerable power to increase sales cut marketing costs and communicate directly with consumers [Excel for Fantasy Football](#) John Broberg, 2011-07-30 Don't get stuck with canned cheat sheets anymore Finally there's a better way to rank NFL players Now you too can build cheat sheets completely customized to your league With Excel for Fantasy Football you have total control of your player rankings and cheat sheets Power up your draft strategy with this instructive step by step guide Customize your cheat sheet to your league's point scheme Effectively rank players with proven but simple methods Make ingenious rapid decisions at the draft Let this be the year you finally take control of your cheat sheets and drafts Imagine Turn your play time into learning time and gain valuable job skills PivotTable VLOOKUP functions Blended RANK ings This might be the best investment you'll ever make *The Winner's Guide to Drafting a Fantasy Football Team* Chris Lee, 2009-08-06 Fantasy football has become one of my favorite pastimes of tens of millions of American males and there are literally hundreds of websites books magazines and television shows designed to tell you everything you need to know about the subject Almost everything that is Anyone who has ever tried to find a definitive way to rank players for their fantasy draft or worse find dollar values for auction style leagues knows the difficulty of finding a system that works for their leagues Because leagues vary according to size rules and scoring systems a player who may be a valuable commodity in one league may be below average in another Therefore the one size fits all rankings or valuations that you see most places can be useless And even if those rankings were designed specifically for leagues like yours values and rankings are normally assigned in a subjective manner without any mathematical evidence to support the author's case The Winner's Guide to Drafting a Fantasy Football Team has a timeless solution to the problem of finding customized and accurate rankings and dollar values that work for any fantasy league Author Chris Lee explains what constitutes value and how that value can be translated to rankings and dollar values for any league in a common sense way that removes the

guesswork that is at the foundation of most ranking and dollar valuation systems. Simply put, if you know what kind of statistics a player is going to produce in the coming year, you'll know where to draft him or how much to pay for him at your draft. This proven system has helped Chris win many leagues. By following the steps in this book, you can build a spreadsheet that will help you win yours as well.
