Sport Management Education Mike Rayner, Tom Webb, 2022-01-27 This book examines a range of contemporary issues related to the global delivery of sport management education. At a time of unprecedented change in Higher Education, the book looks closely at how sport management education can and should deliver positive outcomes in sport business and management outside of the university. The book brings together sport management academics from around the globe and examines how their practice in education has been shaped by the cultural, religious, and political context of the national regions in which they work. It aims to identify core principles in sport management education and implementation and discusses the key aspects of sport management programmes from curriculum design and pedagogy to issues around unified accreditation and the needs of employers. It also focuses in on what sport management education might look like in an increasingly digital post-COVID world. This is essential reading for all sport management educators and anybody working in sport-related professions looking to understand global educational platforms and their implications for policy at local, regional, national, and international level.

Financial Accounting Cases Camillo Lento, Jo-Anne Ryan, 2019-09-16 Canadian Financial Accounting Cases 3rd edition has been developed to bridge the gap between the foundational concepts and the real world. Students are introduced to the case study methodology for financial accounting which focuses on identifying the issue, understanding implications, developing alternatives, and making recommendations. Students must also be able to understand the overall financial reporting landscape and the overall impact of the individual accounting issues. The cases range from introductory level to advanced level and can be used as assignments, exams, or for in-class discussions. The cases have been developed using IFRS Part I, ASPE Part II, or ASNPO Part III as the accounting frameworks, providing students with exposure to many different types of organizational structures and have been linked to the CPA Competency Map. Instructors are provided with detailed teaching notes and marking keys that will assist in guiding the class discussions and assessments.
