principles and foundations Americans of all races and creeds will suffer as their freedoms are usurped and their
opportunities stolen in the name of progressive government power Average regular everyday Americans will see their hope
for freedom opportunity and a better future wither and die Only the political elites and their friends will benefit As history
will show those who seek total unquestioned power never seek that power for the benefit of their fellow men and women It is
always used to aggrandize themselves alone Let Freedom Ring Again challenges us to renew our commitment to the ideals of
our founding fathers and actively preserve the freedoms that make America a beacon of hope and opportunity Dr Rand Paul

some who don t appreciate our nation s rich history or understand the correlation between liberty and prosperity But
