Tip 61 - Behavioral Health Services for American Indians and Alaska Natives U.S. Department of Health and Human Services,2019-03-17 American Indians and Alaska Natives have consistently experienced disparities in access to healthcare services funding and resources quality and quantity of services treatment outcomes and health education and prevention services Availability accessibility and acceptability of behavioral health services are major barriers to recovery for American Indians and Alaska Natives Common factors that influence engagement and participation in services include availability of transportation and child care treatment infrastructure level of social support perceived provider effectiveness cultural responsiveness of services treatment settings geographic locations and tribal affiliations *Monthly Catalog of United States Government Publications* ,1994-04 **Monthly Catalogue, United States Public Documents** ,1994-06 ,

African American Coping in the Political Sphere Jas M. Sullivan,Moriah Harman,2023-10-01 Psychosocial stressors are a part of the human condition Individuals experience a myriad of stressors in their everyday lives and while many people experience some of the same types of stressors responses and reactions to stressful life events interactions and situations often vary Research has shown that these stressors often have negative effects on physical and mental health outcomes among others Thus the way one copes with psychosocial stressors is important for explaining human behavior and variations across and within certain groups For African Americans there are added stressors that impact daily functioning due to no fault of their own These stressors include but are not limited to discrimination microaggressions and police brutality as well as income health and education inequalities Inspired by the John Henryism hypothesis and more broadly the research on John Henryism *African American Coping in the Political Sphere* explores the influence coping has on African Americans political attitudes and behaviors Jas M Sullivan and Moriah Harman reveal that coping plays a role in political outcomes just as it does in social economic psychological and health outcomes Consequently coping offers insight into why some individuals believe and behave in the ways that they do in the political sphere **Monthly Catalog of United States Government**
