Listening Together Timothy Radcliffe, 2024-03-15 The full collection of conference talks from Pope Francis's appointed retreat master Timothy Radcliffe heard first during the historic October 2023 General Assembly of the Synod on Synodality The Synod on Synodality held in Rome in October 2023 gathered Catholics from all over the world to listen pray and reflect on a new way of being church Dominican priest Timothy Radcliffe the official retreat master and spiritual advisor for this assembly was appointed by Pope Francis to deliver a series of retreat talks and meditations to the delegates during the assembly of the Synod on Synodality In *Listening Together* Radcliffe's talks not only set the spirit for this historic gathering but now in written form will open up the possibility for individuals or groups to read and continue to reflect on this synodal journey we all share *Listening Together* serves as a powerful reminder of the themes of enduring relevance included in Radcliffe's retreat talks and synod meditations In entertaining and engaging prose Radcliffe's reflections encourage readers to think about conflicting hopes different visions of the Church as home the need for unity friendship and above all the importance of listening discernment and mission as a means for this synodal journey to continue to succeed In these pages Radcliffe offers a spirituality of listening that can take us forward together on a journey of discovery and communion

Unruly Catholics from Dante to Madonna Marc DiPaolo, 2013-10-03 During the Second Vatican Council the Roman Catholic Church went through a period of liberal reform under the stewardship of Popes John XXIII and Paul VI Successive popes sharply reversed course enforcing conservative ideological values and silencing progressive voices in the Church Consequently those Catholics who had embraced the spirit of Vatican II were left feeling adrift and betrayed In *Unruly Catholics from Dante to Madonna* scholars of literature film religion history and sociology delve into this conflict and historically similar ones through the examination of narratives by and about rebellious Catholics Essays in *Unruly Catholics* explore how renowned Catholic literary figures Dante Alighieri Oscar Wilde Graham Greene Evelyn Waugh and Gerard Manley Hopkins dealt with the disparities between their personal beliefs and the Church's official teachings Contributors also suggest how controversial entertainers such as Madonna Kevin Smith Michael Moore and Stephen Colbert practice forms of Catholicism perhaps worthy of respect Most pointedly *Unruly Catholics* addresses the recent sex abuse scandals considers the possibility that the Church might be reformed from within and presents three iconic figures Thomas Merton Dorothy Day and C S Lewis as models of compassionate and reformist Christianity *Authorial Divinity in the Twentieth Century* Barbara K. Olson, 1997 Whatever a writer's religious assumptions and histories the literary device of omniscient narration traps a writer into a pose as God at least some sort of God be it one the writer eschews avows or longs for In this study Barbara K Olson examines the relationship between both the writer and the omniscient narrator to God Olson explains

how modernists Ernest Hemingway and Virginia Woolf both illustrate how authors particular styles of omniscience bear a reliable though variable relation to their own or their culture s particular conceptions of God The experience of novelists generally attests to perennial theological conundrums into which their creating and narrating have cast them transcendence vs immanence providential care vs cosmic capriciousness determinism vs freedom Not surprisingly such atheists as John Fowles and Ronald Sukenick have aimed their narrational experiments in omniscience at subverting what Fowles has called the godgame that this device requires Such other writers as Flannery O Connor Graham Greene and Murial Spark have predictably relied on the device as one consonant with their theistic assumptions

Intercourse Andrea Dworkin, 2009-09-14 *Intercourse* is a book that moves through the sexed world of dominance and submission It moves in descending circles not in a straight line and as in a vortex each spiral goes down deeper Its formal model is Dante s *Inferno* its lyrical debt is to Rimbaud the equality it envisions is rooted in the dreams of women silent generations pioneer voices lone rebels and masses who agitated demanded cried out broke laws and even begged The begging was a substitute for retaliatory violence doing bodily harm back to those who use or injure you I want women to be done with begging The public censure of women as if we are rabid because we speak without apology about the world in which we live is a strategy of threat that usually works Men often react to women s words speaking and writing as if they were acts of violence sometimes men react to women s words with violence So we lower our voices Women whisper Women apologize Women shut up Women trivialize what we know Women shrink Women pull back Most women have experienced enough dominance from men control violence insult contempt that no threat seems empty *Intercourse* does not say forgive me and love me It does not say I forgive you I love you For a woman writer to thrive or arguably to survive in these current hard times forgiveness and love must be subtext No I say no *Intercourse* is search and assertion passion and fury and its form no less than its content deserves critical scrutiny and respect

PREFACE

New Perspectives On British Authors Rama Kundu, 2006 The irresistible and eternal attraction of an island has surfaced in literature as a varied range of tropes the domain of strange fantastic creatures flora and fauna an Other since the ancient times epitome of the charm of the distant in the romantic era real geographical spaces since the era of sea voyaging discovery and re mapping of islands with the emergence of imperialism new meanings arising from the new imperial discourse in the postcolonial era the islanders themselves writing back to the mainstream canon Today we have a great harvest of island literature arising out of various discourses including postcolonial postimperial feminist ecological cultural etc in addition to unique work s on island arising from individual perceptions philosophical imaginative emotional nostalgic etc A study of island literature across ages and lands thus can introduce us not only to a vast spectrum of ideas approaches contemplation ideation discourses and counter discourses But also to a wide network of inter references in which authors across lands and ages from Homer to Shakespeare Defoe Swift Ballantyne to Golding Coetzee Virginia Woolf to Margaret

Atwood Rhys Walcott Eco Saramago seem to reach out to one another and shake hands A basic perceptual difference between the outsider and the insider as they behold their encircled space has contributed to great counterpoints compulsive confinement challenge of survival thrill of discovery satisfaction of possession love claustrophobia desire to escape desire to return and repossess etc which writers have brought to correspond to a wide range of contrapuntal discourses It has been envisioned as the exclusive space for the artist the woman as time's backwater as the magic realm of the surreal hyperreal fantasia etc Island has come to semiotize a wide range of tropes and significations It appears that if island is a signifier then the signified are endless Indeed the island paradigm seems to be like a magic crystal reflecting innumerable strands and shades of meanings depending on the way you looked at it The subject involves an area of oceanic vastness starting from the coast of the ancient ages right into the ports of the modern and postmodern times The area has been ever spreading and vibrant texts have been sprawling all the time sprouting newer branches accumulating newer layers of meaning and striking newer depths of perception and insight This book an outcome of the UGC Emeritus Fellowship has been an attempt to scoop up a few of these infinite infinities of islands as they are presented and projected in texts across ages and spaces starting from Valmiki and Homer and continuing into the postmodern islands of Jose Saramago and Umberto Eco

The Scandal of Sacramentality Brannon Hancock, 2014-03-17 The sacrament par excellence the Eucharist has been upheld as the foundational sacrament of Christ's Body called Church yet it has confounded Christian thinking and practice throughout history Its symbolism points to the paradox of the incarnation death and resurrection of God in Jesus of Nazareth which St Paul describes as a stumbling block skandalon Yet the scandal of sacramentality not only illustrated by but enacted in the Eucharist has not been sufficiently

accounted for in the ecclesiologies and sacramental theologies of the Christian tradition Despite what appears to be an increasingly post ecclesial world sacrament remains a persistent theme in contemporary culture often in places least expected Drawing upon the biblical image of the Word made flesh this interdisciplinary study examines the scandal of sacramentality along the twofold thematic of the scandal of language word and the scandal of the body flesh While sacred theology can think through this scandal only at significant risk to its own stability the fictional discourses of literature and the arts are free to explore this scandal in a manner that simultaneously augments and challenges traditional notions of sacrament and sacramentality and by extension what it means to describe the Church as a eucharistic community

The Portable Graham Greene Graham Greene, 2005-01-25 In his essays criticism screenplays autobiography and novels Graham Greene explored a territory located somewhere on the border between despair and faith treachery and love This cross section of Greene s work was originally selected with the author s help in 1973 and has now been extensively revised and updated It includes the complete novels *The Heart of the Matter* and *The Third Man* along with excerpts from ten other novels short stories selections from Greene s memoirs and travel writings essays on English and American literature and public statements on issues that range from repression in the Soviet Union to torture in Northern Ireland to the paradoxical virtue of disloyalty An extensive critical and biographical introduction headnotes chronology and bibliography by editor Philip Stratford make *The Portable Graham Greene* as invaluable for scholars as it is essential for any traveler through Greene s richly menacing and strangely seductive literary landscapes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
