

PRESENTACION

POR fin ha llegado. La moto más esperada de los últimos meses ha nacido el 8 de enero de 1976: está, por lo tanto, bajo el signo de Capricornio. La astrología podría decirnos su futuro, pero el éxito que le podemos predecir es fácil de imaginar y de comprender sin necesidad de consultar los astros, ni constelaciones, ni bolas de cristal. La Cota 348 ha nacido en el momento oportuno, o sea, entre dos temporadas de trial, lo que permitirá que todos los pilotos practicantes puedan hacerse con una de ellas antes de que se inicie el Campeonato.

La comercialización masiva está prevista para abril, pero, ¡ojó!, no desesperéis si veis algunas unidades en manos de los pilotos oficiales o de algunos que tienen algo de apoyo de algún representante, ya que una pequeña serie se pondrá en marcha a fines de enero para poder calmar el ansia de los representantes o importadores, que están pidiendo esta moto con suspiros de dolor desde hace ya varios meses. Si; la realidad nos hará ver a algunos afortunados como se exhiben con la moto, nos darán desternas, pero cuando nosotros podamos tenerla en abril, tendremos la compensación de estrenarla radiante cuando la suya ya esté en pleno uso; ¡alguna compensación han de tener los privados!
