THE MOON POOL

"Fantasy, romance, adventure; something of mystery, something of the supernatural; a weaving together of ancient legends, older by far than any historical records, with the scientific knowledge of the present day; and side by side with these, yet far above and mastering them, the power of human love and willing self-sacrifice; the whole held together by a shimmering, glittering web of imagination—such, in so far as words of ours can briefly describe it, is this fascinating romance of *The Moon Pool*. In certain ways, it is nearer akin to such tales as those of *She* and *When the World Shook* than to any others of which we can think at the moment, but it is very far indeed from being a mere echo or imitation of Sir Rider Haggard. It marks a writer possessed of a very unusual, perhaps one might almost call it extraordinary, richness of imagination. The book is very long; adventure follows adventure, and marvel, marvel; but the author's energy and fertility of imaginative resource never seems to lessen, up to the climax when in all its splendor of evil, radiant beauty, the 'Shining One' sweeps forward to conquer the stronghold of the 'Three'."—*New York Times*. \$2.00

The Moon Pool by A Merritt is a seminal work of early 20th century science fiction that masterfully blends adventure fantasy and elements of the mystical. Originally published in serial form in 1918, this novel encapsulates the imaginative spirit of its time and has garnered a dedicated following through the decades. Merritt's richly descriptive prose transports readers into a mesmerizing realm filled with strange creatures, ancient civilizations, and enigmatic powers, making it an early precursor to contemporary fantasy literature. The story begins when a research expedition to the South Seas is launched to investigate the mysterious disappearance of a previous team. The protagonist, Dr. Walter Goodwin, is a geologist who becomes part of this daring venture, filled with both trepidation and curiosity. As the narrative unfolds, he and his companions encounter the seductive allure of a hidden island known as the Moon Pool. This island harbors a bewildering array of secrets and challenges that test their courage and intelligence. At the heart of The Moon Pool is a mysterious lunar pool that possesses uncanny, otherworldly qualities. This water is not merely a geographical feature but rather a gateway to ancient knowledge and power, beckoning characters to delve deeper into its mysteries. Merritt elegantly evokes the sensory experience of the Moon Pool, painting vivid pictures of its shimmering surface and haunting ambiance. The allure of the pool serves as a catalyst for the story, driving characters to confront their desires, fears, and the very essence of what it means to wield power. The novel introduces readers to a host of fascinating characters beyond Dr. Goodwin, including the enigmatic Yolara, a bewitching queen associated with the Moon Pool. Her character embodies both allure and danger, manifesting the seductive pull of the unknown. As an embodiment of timeless beauty and peril, Yolara becomes the focal point of a central conflict within the story, drawing characters into a web of intrigue as they navigate their desires and the consequences of their choices. Merritt's storytelling is characterized by dramatic twists, an intricate plot, and a rich tapestry of themes that include love, sacrifice, and the struggle for knowledge. The interplay between science and the supernatural is deftly handled, creating an environment in which characters explore not only the external mysteries of their surroundings but also their internal landscapes. As they voyage into the unknown, they confront personal demons and make choices that will irrevocably alter their fates. The lush and immersive descriptions in The Moon Pool are a hallmark of A Merritt's writing style. His understanding of nature, combined with a profound sense of myth and fantasy, invites readers to lose themselves in the vivid landscapes he creates. This novel is noted for its ability to evoke a sense of wonder, transporting readers to realms where reality and dream intermingle seamlessly. Scholars and enthusiasts of science fiction and fantasy often regard The Moon Pool as a seminal text reflecting the prevalent themes of early science fiction narratives. The interplay of civilization versus the wild, the exploration of ancient lore, and mankind's eternal fascination with the unknown are presented through Merritt's imaginative lens, setting the stage for subsequent works in the genre. Additionally, the novel's exploration of consciousness and metaphysical themes has contributed to its enduring appeal, resonating with readers long after its initial publication. The pacing of the novel allows for both moments of thrilling action and contemplative reflection. As characters grapple with the profound implications of their

discoveries readers are invited to join them on an extraordinary journey defined by wonder terror and possibility Merritt successfully strikes a balance between fantastical elements and rich character development encouraging readers to empathize with the emotional stakes at play In conclusion *The Moon Pool* by A Merritt remains an essential work in the canon of early science fiction and fantasy literature Its richly woven narrative complex characters and immersive world building continue to captivate readers offering a glimpse into a world filled with both adventure and introspection Merritt's ability to intertwine myth and reality creates a timeless story that invites exploration beckoning readers to consider the mysteries lurking just beyond the horizon Whether you are a long time fan of speculative fiction or a newcomer to the genre *The Moon Pool* is a captivating read that promises to leave a lasting impression *The Metal Monster* Abraham Merritt,2023-11-08 *The Metal Monster* is a science fiction novel written by the American author Abraham Merritt It was first published in 1920 The novel is set in the remote wilderness of Labrador Canada and follows a group of explorers who encounter a mysterious and advanced civilization of metallic beings known as the Metal Things or the Metal Monster These beings possess highly advanced technology and powers that challenge the understanding of the natural world The story explores themes of science the unknown and the clash between the human and the alien Abraham Merritt was a popular author of fantasy and science fiction during the early 20th century *The Metal Monster* is one of his notable works and is celebrated for its imaginative and otherworldly storytelling It combines elements of adventure science fiction and the supernatural making it a classic of early science fiction literature **The Moon Pool Annotated** Abraham Merritt,2021-07-30 *The Moon Pool* by Abraham Merritt was first published in 1919 It tells the story of an advanced race who live within the earth's core Their offspring the Dweller gradually turns from good to evil and at times will rise to the surface of the earth to capture men and women Scientist Dr Goodwin and pilot Larry O Keefe follow the Dweller down and O Keefe finds himself caught between the attentions of two beautiful women one good one evil **The Moon Pool: Science Fantasy Novel** Abraham Merritt,2022-07-03 *Abraham Merritt, Collection Novels* Abraham Merritt,2014-07-05 Abraham Grace Merritt January 20 1884 August 21 1943 known by his byline A Merritt was an American Sunday magazine editor and a writer of fantastic fiction The Science Fiction and Fantasy Hall of Fame inducted him in 1999 its fourth class of two deceased and two living writers In this book *The Moon Pool**The Metal Monster**The Face in the Abyss**The people of the Pit**Through the Dragon Glass**Three lines of old French**The Face in the Abyss*
