Summary of Josh McDowell & Sean McDowell's More Than a Carpenter Everest Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was raised in a rural environment and as a result I inherited a practicality that says when something doesn't work get rid of it I chucked religion and then education as I searched for answers 2 I began to think that I could find happiness and meaning in prestige I would find a noble cause devote myself to it and in the process become well known on campus But the thrill of prestige wore off like everything else I had tried 3 I was extremely attracted to the group of Christian students I met and I decided to become friends with them They challenged me to examine the claims of Jesus Christ and I wasn't buying it I was fed up with religion and religious people 4 I was a prelaw student and I knew something about evidence I decided to investigate the claims of Christianity thoroughly and come back and knock the props out from under their sham religion
