Cho,1986

To the Ends of the Earth Allan Heaton Anderson,2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In *To the Ends of the Earth* Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide

megachurch and its charismatic leader Brian Houston Longlisted for the 2024 Walkley Book Award Longlisted for the 2024
Australian Political Book of the Year Award An eye popping investigation into the Till on the Hill David s revelations are
nothing short of extraordinary Liz Hayes In 2023 the curtain finally came down on Brian Houston The rock star of
Pentecostalism former Global Senior Pastor of Hillsong Church was acquitted of concealing his father s sexual abuse of a
minor but it was too late His glittering megachurch had disowned him How had it come to this And how did Hillsong the
brightest star of international evangelical Christianity fall to earth so spectacularly Following in his father Frank s footsteps
Brian led Hillsong to become the nation s biggest and loudest Pentecostal church built on the millions donated by its
followers He would hold audiences of 20 000 in the palm of his hand with a powerful message from God You need more

were Hillsong regulars Politicians courted Hillsong with its magnetic appeal to aspirational Australians and the church s
story became entwined with that of Australia s first Pentecostal prime minister Scott Morrison who looked to Brian Houston
as a key spiritual influence But just as Houston s kingdom was at the very height of its powers it dramatically fell apart when
the church s dirty secrets came tumbling out Behind the scenes a secret insurrection led by young Christian women had

justification in the word of God also sheds light on the influence of Pentecostalism on Morrison s decision making as PM and
his disregard for secular accountability Sydney Morning Herald Investigative journalist David Hardaker unravels the story of
NZ preacher Frank Houston and his son Hillsong founder Brian Houston Hardaker digs into the relationship between the
master pastor and former prime minister Scott Morrison and Hillsong s grab for social and political influence will still inspire

the movement's remarkably fast spread is still not well understood. In particular its constant worldwide encounters with other religions and beliefs as well as with different forms of Christianity have seldom been explored at length. This rich and varied book remedies that neglect. Although its adherents supposedly preach a universal message in practice Pentecostalism's global spread has resulted in increasing diversification. The volume investigates the consequences of that spread and of the accommodations Pentecostal missionaries have to make when faced by pluralism and the challenges posed by ecumenism. Ranging across every major continent the contributors to the volume make a significant contribution towards a fuller and more complete understanding of this remarkable world faith. Pentecostalism is topical, fast expanding, newsworthy and exotic. This is the definitive collection by international experts on the movement. It is the first book to address Pentecostalism's fascinating relationship with other faiths and beliefs. *The Lord of Victory* E. LeRoy Lawson, 1988 *The Standard*, 1908
