Mormons Repen T. OrBurn,2015-12 While Christian denominations world wide have been slipping into apathy worldliness and Biblical illiteracy the cult of Mormonism has been able to preach its satanic doctrines throughout the world deceiving countless souls in the process It s time for true men women and even children of God to stand against the heresies being taught by the Mormons and contend for the true Christian faith Mormons The Serpent s Saints will teach you how to do just that Learn about Joseph Smith s witchcraft and devil worship Brigham Young s murderous teachings False prophecies historical errors in the Mormon scriptures And much more Understand the truth that just as Christians are followers of Jesus Christ of Nazareth and Lutherans are followers of the teachings of Martin Luther Mormons are in fact followers of Mormo the king of devils or none other than Satan himself Learn the truth about the satanic cult of Mormonism and its false prophets before someone you know is converted to the soul damning doctrines of Mormonism *The Latter-Day Saints' Millennial Star* ,1874 [The Latter-Day Saints' Millennial Star](#) Parley Parker Pratt,1848 **the latter day saints** ,1881

[The Latter-day Saints' Millennial Star](#) ,1854 **“This Is My Doctrine”: The Development of Mormon Theology** Charles R. Harrell,2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions [Mormonism](#) W.
