Agricultural Marketing and Price Analysis F. Bailey Norwood, Jayson L. Lusk, Derrell S. Peel, John M. Riley, 2021-12-20
Friendly and readable Agricultural Marketing and Price Analysis presents a comprehensive approach to agricultural price analysis agricultural market structures and agricultural marketing strategies The authors engage students with very little exposure to economics and with only a basic grasp of algebra The text utilizes a fresh approach and supplies thorough coverage of core topics as well as complex topics such as general equilibrium models game theory and econometrics It also provides an introduction to data analysis and incorporates many examples Supplemental materials are available for additional practice and further exploration Unique to the Second Edition is the inclusion of a chapter on consumer behavior and food preferences as well as relevant areas of research The authors introduce readers to the agricultural supply chain including forecasting and inventory management Succinct and approachable this text sets the stage for an enjoyable and effective learning experience

National Basketball Association Franchises Frank P. Jozsa Jr., 2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large midsize or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

National Basketball Association Strategies Frank P. Jozsa Jr., 2014-10-01 This Brief identifies and contrasts the groups of National Basketball Association NBA expansion franchises and of any teams that relocated from one metropolitan area or city to another from 1950 to 2013 It discusses historical differences and similarities in the teams markets and performances and then as members of divisions and conferences It measures and compares the emergence development and success of the teams by analyzing demographic economic and sport specific data It also discusses the respective mergers of the Basketball Association of America and National Basketball League in 1949 and the American Basketball Association and National Basketball Association in 1976 National Basketball Association Strategies makes an important relevant and useful contribution to the literature regarding professional sports operations and to the NBA s short and long run business strategies in American culture Besides numerous sports fans within metropolitan areas and extended markets of these NBA teams the book s audiences are sports historians and researchers

college and public libraries and current and potential NBA franchise owners and team executives This Brief may also be used as a reference or supplemental text for college and university students enrolled in such applied undergraduate and graduate courses and seminars as sports administration sports business and sports management
