To Carve a Fae Heart Tessonja Odette, 2025-07-31 To Carve a Fae Heart is an enemies to lovers fantasy perfect for fans of The Cruel Prince ACOTAR and Kingdom of the Wicked If you like snarky fae brooding royals sizzling romance and fierce heroines you'll love this breathtaking fae fantasy Every young woman dreams of marrying a king Everyone except for me Because the king I am to wed has razor sharp fangs and a thirst for blood All my life I knew I'd come of age during the Hundred Year Reaping According to the ridiculous treaty two human girls are sent to the faelands as brides for the fearsome fae king and his devilish younger brother Not me I was supposed to be safe Two girls were chosen from my village already But when they are executed for offending the king my sister and I are sent in their place What a mess Then again maybe it's not so bad The younger brother I'm paired with doesn't seem as monstrous as I'd expected He's delightfully handsome too But nothing compares to the chilling dangerous beauty of the fae king And when my sister flees the castle and her terrifying husband to be I'm left to marry him instead If I go through with this I might not survive my wedding night If I don't no one is safe neither human nor fae An ancient war will return bringing devastation we haven't seen in a thousand years Can I sacrifice myself for the good of my people Or will a dangerous desire be the death of me first If I don't lose my heart the king will certainly lose his I'll carve it out with an iron blade if I have to To Carve a Fae Heart is the first book in The Fair Isle Trilogy set in the same world as the Entangled with Fae series To Carve a Fae Heart takes place twenty years before the Entangled with Fae books Journey back to Faerwyvae or start your adventure for the first time with this epic fantasy tale

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries

run their systems You'll see the privatized high cost model in the United States You'll compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market

Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair use
