Side Hustles Mike Shirley,2021-07-24 Finances have been my passion for years because of how much it has opened my mind and heart to opportunities Financial literacy has truly changed my life for the greater good and can most definitely change yours too I have put in hours upon hours of research on many ways to create extra streams of income so that I can accelerate financial freedom My passion for financial literacy has given me the urge to spread its gospel to the masses in hopes to help bring joy and wealth to those who grew up just like me I spent most of my life financially illiterate and had no clue how to control my money Once I read Rich Dad Poor Dad by Robert Kiyosaki I began to question everything I knew about finances and thus my financial journey began I

had to read countless books articles blogs watch countless videos and take many courses and seminars to learn what I know today and I continue to learn daily This is why this book is so important for me to put together and get it into people s hands so that they can do what they love and grow very wealthy in doing so This book is by no means to make you quit your job but after you fall in love with your side hustles you will make enough to give you that option I decided to break this book into categories so that it can be digested easier and flow well There may be side hustles in here that cease to exist after the release of this book due to unforeseen circumstances but I am sure you will find quite a few streams of income here and gain happiness in doing them Remember that you should never pick a career job or side hustle solely based on the amount of pay your happiness should always come first With that being said let s go create multiple streams of income and be happy doing it When picking side hustles from this book I encourage you to eventually pick from multiple categories here For Example when you master a side hustle and build a stream of income from a local hustle go master a WIFI hustle as well so that you diversify your side hustles This is how you create multiple streams of income It has been said that the rich have on average 7 streams of income With the help of this book and some dedication from you I see you accomplishing that goal with ease and creating financial freedom for not only yourself but your entire family Read through each category and pick 3 side hustles that you would be happy to do Once you have them start putting actions behind the one you like most and give 100% focus to it in all the time you can spare from your normal job or career This way you give all focus to this one hustle and can decide in time if it truly will make you happy Once you have mastered it then you can start on your next hustle picks and master those Drop any that you find that do not make you happy If you don t love what you do you will never be a success at it We don t want you to just be rich in wealth we need you to also be rich in happiness Keep in mind that not all side hustles in this book will be thorough step by step instruction but will lead you in the correct path to take a learning journey in that hustle To give multiple steps we would be writing for ages and we want you to get to work on your side hustle as soon as possible Reading about it will not make you master it the application and execution of what is written is what makes you a master of that hustle Check us out at www.ProfitVestor.com

Online Side Hustle: Newbie-Friendly Guide for Making Your First \$1,000 in Passive Income Each Month on Autopilot -- With 7 Proven Business Models Including Social Media, Shopify, and Amazon FBA Financial Freedom Blueprint, 2019-05-07 Profitable businesses that you and your family can start in your spare time If you've ever wanted to make a little extra cash on the side but don't have much money to invest then keep reading Here's the unfortunate truth Most of the books on Amazon promise you instant riches for little to no work Or they'll just be one long sales pitch for yet another overpriced online course Or worse some kind of recruitment for a network marketing scam So why is this book different Here at Financial Freedom Blueprint we've rounded up a group of

experts each of whom have years of experience in their fields to bring you today's best work at home opportunities. Not stuff which might have worked 10 years ago but no longer does so even if you've tried blogging, writing articles, selling stuff on Craigslist or eBay, affiliate marketing or a bunch of other stuff online which doesn't actually work, then don't worry. This book only contains proven business models which are working in 2019. This isn't a get rich quick scheme and these projects will need some time and effort to get started. But all of them only require a small investment and sometimes no investment and don't take a lot of time to set up. No need for hours of technical training either. Most of these are turnkey models you can get up and running with in a single weekend. And best of all you can run them from your laptop or in some cases your smartphone. Here's just a fraction of what you'll discover inside. The real secret to making money online. This is the opposite to what every guru has been telling you. How one desperate housewife made 1,500 profit her first month with just a small investment of 200 and less than 10 hours of work. The unique business model you can use to make 500 a week from your smartphone. The 4 best ecommerce niches for 2019 you won't find these on any mainstream websites and sellers in them are quietly making a killing. How to leverage one of the fastest growing markets on the planet by writing about your favorite subjects. This is one of the most fun and profitable ways to make money online right now. An unsexy yet reliable way to generate 1,000 in the next week. All it takes is a few emails sent to the right people and 2 hours of computer work and you're good to go. The dangerous lesson inside Rich Dad Poor Dad. The little known business model only taught in a 2,500 program which is making people 4 and 5 figures a month with less than 60 minutes work a week. How to make your first 1,000 with zero investment even if you don't have a college degree or barely finished high school. This one is so simple we've yet to see anyone fail with it. Is Amazon FBA worth it in 2019. The surprising truth inside and much much more. If you or your spouse loves to write then you'll love the business model in chapter 7 which can easily net you an extra 25,000 a year, no it's not blogging. Or if you fancy yourself as someone who can spot a bargain then head straight to chapter 5 to discover how to leverage your skill in today's online marketplace. There are no upsells or withheld information either you can read the book and get started with your new side hustle the very same day. So if you want to get your hands on 7 proven business models for less than the price of an overpriced coffee at Starbucks. Scroll up and click add to cart to receive your copy instantly.

Understanding Cybersecurity Law and Digital Privacy Melissa Lukings, Arash Habibi

Lashkari, 2021-12-01 Cybersecurity data privacy law and the related legal implications overlap into a relevant and developing area in the legal field. However, many legal practitioners lack the foundational understanding of computer processes which are fundamental for applying existing and developing legal structures to the issue of cybersecurity and data privacy. At the same time, those who work and research in cybersecurity are often unprepared and unaware of the nuances of legal application. This book translates the fundamental building blocks of data privacy and cyber security law into basic knowledge that is equally accessible and educational for those working and researching in either field, those who are involved with businesses and organizations, and the general public.
