**Anchored** Bridget E. Baker, 2021-04-15 Every time Alora goes to sleep she wakes up on another world a magical world a world that's about to collide with Earth in a very big way Alora's the only person with the power save them both only she's not sure she should Alora's life has been anything but magical Since her parents died she and her brother have been on the run from a creepy doggedly determined social worker In a few more months she turns eighteen but

until then they're stuck hiding. It's hardly surprising that she dreams every single night of another world, Terra, where she possesses telekinetic powers. What Alora can't explain is how when she breaks her arm in her dreams, she wakes up with the same very real injury on Earth. And if her dreams aren't real, shouldn't they be more fun? Since only men on Terra are supposed to be able to move things with their minds, Alora spends all her time there hiding her powers. But when her best friend on Terra is threatened, Alora uses her powers to save him, inadvertently killing the attacker. The next day on Earth, the exact same man she killed on Terra walks into her workplace and drops dead. Suddenly, she's being hunted in both places. Alora must discover how Earth and Terra are connected and how far she'll go to save a world that may not deserve to be saved.

**Awards:** 2021 IAN Book of the Year, Fantasy 2021 Publisher's Weekly BookLife Prize Quarter Finalist 2021 Readers Favorite Urban Fantasy Winner 2021 Whitney Award Nominee

**Trade Reviews:** Kirkus said, "The author's worldbuilding is astute and unobtrusive. The fantasy series opener finds its rhythm early and then breezes along, keeping readers enthralled. This novel is a winner. YA and new adult readers will take Alora as their own and thrill to the thought of a sequel. An absorbing meld of secondary world and urban fantasy. The best part of *Anchored* was the non-stop action-packed, exciting plot. All I can say is, Bridget E. Baker, where have you been all my life? I can't believe this is her only book that I have read. I will most definitely be reading more of her work. This book has it all: suspense, mystery, love, action, romance, war—you name it. And it is all perfectly combined to produce the perfect story and the perfect beginning to what I know will be a fantastic series."

**Readers Favorite:** "Wow, this book is intense. It takes hold and doesn't let go. Fast-paced writing, an awesome storyline, and ridiculously fun world building make this a new favorite of the year. Plus Egyptian mythology. A must-read for fantasy lovers."

**USA Today Bestselling author M. Lynn:** *Anchored* is a fast-paced fantasy adventure with a strong heroine. I have no idea how Bridget did it, but she tangled reality and dream fantasy together effortlessly. This is one of those books you will go back and read again and again. I cannot wait for book 2.

**USA Today Bestselling author J. A. Culican:** I picked this book up for the breathtaking cover, but I stayed for the fascinating story. I can honestly say I've never read anything quite like this. Usually, it takes me a while to connect with a narrator, but I found myself rooting for this funny, self-deprecating protagonist from the first page. Top that off with a story that's solid and compelling and a twisty plot that pulls at your heartstrings every step of the way, and you've got five amazing stars. My only complaint is that I can't binge-read the rest of the series yet.

**USA Today Bestselling Author Robin D. Mahle:** This action-packed novel is a dose of both fantasy and reality. The writing is infectious, jam-packed with emotion, and the tangling of two worlds, the real and the dream, is masterfully done. *Anchored* is a book not to be missed.

**USA Today Bestselling Author Cortney Pearson:** What a fascinating and intriguing urban fantasy read. The characters are beautifully developed, even those only briefly in the story. The angsty, dramatic protagonist, Alora, even with all her deep-seated problems and issues, remains likable. And there is one constant for Alora: her strong bond to her brother, Jesse. Even though her future is supposed to be destined, Alora wants to lead her own life and not be dictated to. This is a wonderful story.
