The Voice Catchers Joseph Turow, 2021-05-18 Your voice as biometric data and how marketers are using it to manipulate you Only three decades ago it was inconceivable that virtually entire populations would be carrying around wireless phones wherever they went or that people's exact locations could be tracked by those devices We now take both for granted Even just a decade ago the idea that individuals' voices could be used to identify and draw inferences about them as they shopped or interacted with retailers seemed like something out of a science fiction novel Yet a new business sector is emerging to do exactly that The first in depth examination of the voice intelligence industry *The Voice Catchers* exposes how artificial intelligence is enabling personalized marketing and discrimination through voice analysis Amazon and Google have numerous patents pertaining to voice profiling and even now their smart speakers are extracting and using voice prints for identification and more Customer service centers are already approaching every caller based on what they conclude a caller's voice reveals about that person's emotions sentiments and personality often in real time In fact many scientists believe that a person's weight height age and race not to mention any illnesses they may have can also be identified from the sound of that individual's voice Ultimately not only marketers but also politicians and governments may use voice profiling to infer personal characteristics for selfish interests and not for the benefit of a citizen or of society as a whole Leading communications scholar Joseph Turow places the voice intelligence industry in historical perspective explores its contemporary developments and offers a clarion call for regulating this rising surveillance regime

Pilgrimage Ready: Healthy & Strong Muhamad Hamim Bin Abdul Rahim, Saif-Ur-Rahman, 2018-05-08 The original intent for writing this book is to address the deteriorating state of health of Muslims in Singapore particularly the Malays The content focuses on improving physical health through lifestyle interventions in exercise diet and rest To support the narrative verses from the Quran and the Hadith are used because the authors believe that religion is a strong motivator Many perceive Hajj and Umrah as the pinnacle of Islamic worship yet many are unaware of the grueling tasks involved in them Readers will learn how to achieve peak physical health so as to be able to complete the Tawaf and Sai with greater ease InshaAllah Not only that they can also expect an improvement in the quality of life as a person and as a Muslim when adopting the right practices and beliefs Included is how the Quran and Hadith place much emphasis on physical health and how science debunks many health myths on weight loss exercise and rest And because the wait time for Hajj in Singapore can take up to twenty years physical preparation should start as soon as possible Readers will discover why adopting the right motivation and changing mind sets can increase the chances of success There is a special section on healthy practices during Ramadhan and Syawal two celebratory months in the Islamic calendar where diet and exercise take a back seat due to the focus on ibadah Two special Muslims take center stage in this chapter one talks about his positive experience with intermittent fasting during and after Ramadhan and the other who exercises and trains every day while fasting The authors of this book speak from experience as
