The Elements of Financial Econometrics Jianqing Fan, Qiwei Yao, 2017-03-23 A compact master's level textbook on financial econometrics focusing on methodology and including real financial data illustrations throughout. The mathematical level is purposely kept moderate, allowing the power of the quantitative methods to be understood without too much technical detail.

Does This Book Make My Butt Look Big? Carson Kressley, Riann Smith, 2016-10-11 *Does This Book Make My Butt Look Big* is a roadmap for the American everywoman to build unshakable body confidence. Nowhere else is there a fun and accessible book created for the underserved masses of American women who just want to get out the door looking and feeling fabulous. These women need to be reminded that fashion is FUN. They need to know that with the right tools they have the power to transform their self-perception by shifting their mindset from woe is me to wow is me. They need the secrets of playing to their strengths and minimizing their flaws. They need to take more chances with pattern and color and leave what doesn't work in the dust. Most of all, they need Carson, their peppy blond fairy godstylist, to show them the way. Baker Taylor

Return On Process (ROP) Michael West, 2016-04-19 Although there are countless books about process improvement and business performance, there is a dearth of literature on how process improvement yields business performance results. Filling this need, *Return On Process (ROP): Getting Real Performance Results from Process Improvement* provides strategic and tactical guidance on how to achieve a positive ROP. The book details a comprehensive and coherent end-to-end process for integrating organizational performance objectives and measures to process improvement activities. Describing how to achieve real business performance results from process improvement, it supplies sound, proven advice on how to improve your organization's software and systems development and delivery processes in ways that affect your business. Defining the relationship between performance and process, the book presents metrics for business performance and explains how to set performance and process improvement goals, measure process improvement results, and lead a performance culture. Filled with examples and case studies that illustrate key concepts, it provides how-to information based on three role categories: executive manager and practitioner. Describing non-traditional and innovative ways to achieve process and performance improvement, the book includes action plan guides at the end of each chapter that provide clear-cut guidance on exactly what you should and shouldn't do.

The Pint of No Return Ellie Alexander, 2018-10-02 Amateur sleuth Sloan Krause returns in *The Pint of No Return*, another delightful cozy by Ellie Alexander. This time investigating a movie star who's murdered not long after arriving in Leavenworth, WA, to film his latest project. No other festival compares to Oktoberfest in Leavenworth, Washington. The whole town is buzzing with excitement over this year's activities and eagerly awaiting Nitro's latest offering, Cherrywizen, made with locally sourced cherries. But local brewmaster Sloan Krause is tapped out. Between trying to manage the pub, her pending divorce with Mac, and her mounting feelings for Garrett, she's fermenting in internal turmoil. To complicate matters, dreamy movie star Mitchell Morgan and his production crew have arrived in the village to film during the

authentic Bavarian brewfest Mitchell has his eye on Sloan and a taste for Nitro's Cherrywizen Sloan escapes his advances for good when she finds Mitchell slumped over the bar Is this a case of one pint too many or has Mitchell been murdered by microbrew A charming new series fascinating and fun Kate Carlisle A hopping good cozy mystery Meg Macy The Mabamba Return, A Historical Novel John B.
