Content Confessionals of an Instagram Influencer Joy Harrington, 2020-08-03 Content The simplest way to show up for your business every single day and yet the HARDEST thing to consistently produce that is good quality attracts your tribe and most importantly converts sales Yes if you are producing the right content your sales should convert more easily because you are showing your avatar ideal client that you 1 Understand her 2 Speak her language 3 Are a credible resource 4 Have what she WANTS not just what she needs Most people who want an online business or want to be an influencer KNOW that they have to show up daily with content but they have no idea where to start what to talk about or how to package it up correctly so they either 1 Avoid it 2 Do a poor job of it by slapping something up because hey something is better than nothing right wrong PS 3 They look at what others are writing and try to reproduce something similar thinking that if it worked for others it will work for them Does any of this sound familiar yet Girl I've been there because I have done all of these things When the only training on content is books written about social media selling tactics it can be hard to translate that to your OWN story your own business your own ideal client and your online presence am I right THIS book will focus on growing you into a master of content with awesome posts AND will also give you the prompts to create your posts right here Every day when you need to create a post just open this book pick the type of post you want to do and use the prompts to create a post that is AUTHENTIC engaging and will set you apart from others in your industry This happens by sharing your authentic voice in a way that creates bonding with your audience AND sets you up as their teacher leader that they want to trust and buy from **Follow** R.
