Understanding the Music Industries Chris Anderton, Andrew Dubber, Martin James, 2012-12-14 Everyone knows music is big business but do you really understand how ideas and inspiration become songs products downloads concerts and careers This textbook guides students to a full understanding of the processes that drive the music industries More than just an expose or how to guide this book gives students the tools to make sense of technological change socio cultural processes and the constantly shifting music business environment putting them in the front line of innovation and entrepreneurship in the future Packed with case studies this book Takes the reader on a journey from Glastonbury and the X Factor to house concerts and crowd funded releases Demystifies management publishing and recording contracts and the world of copyright intellectual property and music piracy Explains how digital technologies have changed almost all aspects of music making performing promotion and consumption Explores all levels of the music industries from micro independent businesses to corporate conglomerates Enables students to meet the challenge of the transforming music industries This is the must have primer for understanding and getting ahead in the music industries It is essential reading for students of popular music in media studies sociology and musicology

Pop Music, Pop Culture Chris Rojek, 2011-06-13 What is happening to pop music and pop culture Synthesizers samplers and MDI systems have allowed anyone with basic computing skills to make music Exchange is now automatic and weightless with the result that the High Street record store is dying MySpace Twitter and You Tube are now more important publicity venues for new bands than the concert tour routine Unauthorized consumption in the form of illegal downloading has created a financial crisis in the industry The old postwar industrial planning model of pop which centralized control in the hands of major record corporations and divided the market into neat segments is dissolving in front of our eyes This book offers readers a comprehensive guide to understanding pop music today It provides a clear survey of the field and a description of core concepts The main theoretical approaches to the analysis of pop are described and critically assessed The book includes a major investigation of the revolutionary changes in the production exchange and consumption of pop music that are currently underway Pop Music Pop Culture is an accomplished magnetically interesting guide to understanding pop music today

Billboard , 2004-01-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard , 2011-01-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Historical Dictionary of the American Music Industry Keith Hatschek, Veronica A. Wells, 2018-09-15 The US music industry is an exciting fast paced marketplace which brings together creative and business

interests to connect artists with audiences This book traces the history of the music industry from the Colonial era to the present day identifying trends and the innovative leaders who have shaped its course This volume embraces the diversity of the American music industry spanning classical to country and hip hop to heavy metal Historical Dictionary of the American Music Industry contains a chronology an introduction appendixes that provide a comprehensive directory of college music business programs and a listing of all relevant music industry trade associations and an extensive bibliography The dictionary section has over 500 cross referenced entries on important artists managers companies industry terminology and significant trade associations This book is an excellent resource for students researchers and anyone wanting to know more about the business of music

The Economics of the Popular Music Industry Christie Byun, 2024-04-29 This book uses economic theory to explain how consumers and producers have responded to major changes in the music industry Byun examines the important role of technology in changing its structure particularly as new methods of creating and accessing music prove to be a double edged sword for creators and producers This second edition includes new information about concert attendance and live performance in the COVID era and what followed as well as the resultant economic impacts on the industry Throughout the book Byun questions how the business of music affects creativity and the extent to which this impacts the creative output of the individual artist Chapters also address copyright enforcement and online piracy This is an approachable resource for economists interested in the music industry as well as business and music majors studying the ways in which technology can impact a creative process

Media Today Joseph Turow, 2011-09-22 Media Today puts students at the center of the profound changes in the twenty first century media world from digital convergence to media ownership and gives them the skills to think critically about what these changes mean for the role of media in their lives Media Today Fourth Edition is built around four key concepts A media systems approach allows students to understand the interconnected cultural political and economic forces that shape media they encounter every day Unique insights into media trends give students an insider s perspective on how media industries are responding to changes from globalization to social networking Focus on digital convergence shows in each chapter how digital media is transforming traditional mass media such as newspapers magazines and television A media literacy goal encourages and builds critical skills to make students more informed and engaged citizens in our media driven society Completely revised with updated examples new case studies and new online video resources the 4th edition of Media Today connects the latest trends debates and technologies to the history of media highlighting the impact and meaning of today s changes to the media landscape especially how traditional industries have blurred together with digital convergence Additional learning resources including a new set of online video resources interactive quizzes study resources and instructor guides are available on the free companion website at www.routledge.com/textbooks/mediatoday4e

Billboard ,2003-05-17 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,2009-05-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Popular Music as Promotion Leslie M. Meier,2016-12-27 Business as usual has been transformed across the music industries in the post CD age Against widespread hype about the purported decline of the major music labels this book provides a critique of the ways these companies have successfully adapted to digital challenges and what is at stake for music makers and for culture Today recording artists are positioned as artist brands and popular music as a product to be licensed by consumer and media brands Leslie M Meier examines key consequences of shifting business models marketing strategies and the new common sense in the music industries the gatekeeping and colonization of popular music by brands Popular Music as Promotion is important reading for students and scholars of media and communication studies cultural studies and sociology and will appeal to anyone interested in new intersections of popular music digital media and promotional culture *The Routledge*

Research Companion to Popular Music Education Gareth Smith,Zack Moir,Matt Brennan,Shara Rambarran,Phil Kirkman,2017-01-20 Popular music is a growing presence in education formal and otherwise from primary school to postgraduate study Programmes courses and modules in popular music studies popular music performance songwriting and areas of music technology are becoming commonplace across higher education Additionally specialist pop rock jazz graded exam syllabi such as RockSchool and Trinity Rock and Pop have emerged in recent years meaning that it is now possible for

school leavers in some countries to meet university entry requirements having studied only popular music In the context of teacher education classroom teachers and music specialists alike are becoming increasingly empowered to introduce popular music into their classrooms At present research in Popular Music Education lies at the fringes of the fields of music education ethnomusicology community music cultural studies and popular music studies The Routledge Research Companion to Popular Music Education is the first book length publication that brings together a diverse range of scholarship in this emerging field Perspectives include the historical sociological pedagogical musicological axiological reflexive critical philosophical and ideological

Events and Festivals Martin Robertson, Elspeth Frew, 2013-09-13 Events and festivals have an increasingly vital role in our leisure lifestyles We recognize them as part of our lives For some they are a very significant part of our lives The network of festivals and events that either adorn the world now or are planned for the future can both serve to motivate new visits as well as enhance the lives of the people who live in or near the host area They are also dynamos of cultural development of sport knowledge and excellence and sophisticated consumption Such dynamic outputs require dynamic inputs This book looks at different event and festival cases and forwards separate and current managerial implications and responses to these with reference to the UK America and Australia Both up to date and forward thinking the managerial themes addressed are Creative Management Festival and Event audience development Culture and Community Event and Festival evaluation Festival and event types include sport events art festivals community events live music and culinary extravaganza This book was previously published as a special issue of Managing Leisure An International Journal

Billboard, 2007-08-04 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Traditional Media and the Internet Sylvia M. Chan-Olmsted, 2017-10-03 This special issue addresses the topic of Internet business models from the perspective of the traditional media sectors The eleven special theme articles tackle the issues of online content delivery business models the relationship between online and off line media products the Internet's impact on a media value chain online marketing of music products Internet content strategies and comparative studies of Web content and strategies in different countries From theoretical discussions to empirical investigations the authors examine fully the traditional media incumbents' efforts to develop business strategies that leverage their online competencies and suggest the factors that might play a role in this process This focused theme issue provides readers with a deeper understanding of how the Internet has changed the playing field for the media industries and gives a preliminary view of things to come

Billboard, 2002-12-28 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
