Nexus 5 Survival Guide Toly K, 2014-01-14 The Nexus 5 is Google's first phone to natively run Android Kit Kat. As a result, the Nexus 5 is packed full of new features never before seen on any Android phone, such as a much improved Phone application, better voice searching, built-in caller ID that automatically searches the web for the phone number, and a completely redesigned text and video chat application. This guide will introduce you to these new features and show you how to use them. This book gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the Nexus 5. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem.

looking for help on how your computer works and more time enjoying the fun parts of life *The Customer Affinity Manifesto: How AI can help businesses connect with customer emotions* Joss Gillet, 2022-10-03

How to take the pulse of customer emotions weekly without breaking the bank
What would make customers shift their spending to the competition
How to spot new consumer trends and pivot fast
How to build your own AI powered data routine to improve competitiveness

The Customer Affinity Manifesto by Joss Gillet looks into pressing issues that businesses have to adapt to since the pandemic. People have high expectations and their reactions to an unpleasant user experience are immediate, loud, and unequivocal. While the future is uncertain, evidence shows that keeping a blind eye on the damage companies could suffer from poor customer affinity would be fatal. This book is filled with the nectar extracted from three million customer comments posted on social media over a five-year data project. The learnings are fascinating as we explore the events that drove customers mad, including the impact of Covid-19, US presidential elections, Brexit, scams, racism, or homophobia on customer sentiment. Gillet seeks to understand how emotions influence purchase decisions in a digitized and polarized world. He invites you to step into the shoes of your customers and learn a new method that could help nurture deeper relationships with your customers.
