Spiritual Decluttering Bruce G. Epperly, 2019-03-26 In choosing simplicity says Dr Bruce Epperly we make room for God s light to flow in and through us Decluttering is a concept that is all over social media and the news these days We have books with detailed instructions in how to declutter our houses

and live more simply Epperly takes this beyond the merely material and teaches how to declutter our minds and spirits as well Spiritual decluttering is more than a passing fad In clearing the clutter of our lives we put first things first and align ourselves with God s vision for our lives Tis a gift to be simple and one of today s leading progressive theologians and spiritual guides shows us a pathway to experiencing the holiness of everyday life and sharing the gifts of simplicity to heal the world

Hashtag Islam Gary R. Bunt,2018-09-25 Gary R Bunt is a twenty year pioneer in the study of cyber Islamic environments CIEs In his new book Bunt explores the diverse and surprising ways digital technology is shaping how Muslims across vast territories relate to religious authorities in fulfilling spiritual mystical and legalistic agendas From social networks to websites essential elements of religious practices and authority now have representation online Muslims embracing the immediacy and general accessibility of the internet are increasingly turning to cyberspace for advice and answers to important religious questions Online environments often challenge traditional models of authority however One result is the rise of digitally literate religious scholars and authorities whose influence and impact go beyond traditional boundaries of imams mullahs and shaikhs Bunt shows how online rhetoric and social media are being used to articulate religious faith by many different kinds of Muslim organizations and individuals from Muslim comedians and women s rights advocates to jihad oriented groups such as the Islamic State and al Qaeda which now clearly rely on strategic digital media policies to augment and justify their authority and draw recruits This book makes clear that understanding CIEs is crucial for the holistic interpretation of authority in contemporary Islam
