Tiktok This Week:

TikTok as Entertainment or Misleading App? John Maish,2023-09-20 Essay from the year 2021 in the subject Communications Mass Media grade 3 0 University of California San Diego course Media Studies language English abstract This essay critically analyzes the popular video sharing app TikTok and questions whether it should be perceived primarily as an entertainment platform or as a source of misleading content The author reflects on how TikTok s algorithmically customized feed and divination videos promoted addictive viewing habits and dubious life advice in a friend However the app also spreads joy through funny videos The essay concludes that while TikTok has merit as an entertainment app users should be cautious of videos that try to deceptively influence major life decisions Overall the essay urges readers to approach TikTok with nuance enjoying its amusing content while maintaining skepticism about guidance from its most exploitative corners

Mobile Media Use Among Children and Youth in Asia Andrew Zi Han Yee,2025-01-21 This book examines mobile media use among children and youths within an Asian context By studying the impact of mobile media on children and youth in Asia it focuses on the explosive growth of mobile media among young people and seeks to understand the potential consequences of mobile media use on society relationships and what it means to be a young person With this it provides a richly contextualized Asian voice to research on mobile media and young people enriching the global conversation surrounding an increasingly central aspect of youths everyday lives Research on mobile media and its impact on children and youths in Asia is not thoroughly represented despite the proliferation of smartphone and tablet use in the region This volume fills this gap by canvassing contemporary research on mobile media children and

youth in Asia through the perspectives of emerging scholars in the region and beyond It promotes an understanding of the motivations and patterns of use by children and youth in the region examines contemporary research on the antecedents and consequences of mobile media use on society relationships and the individual and provides a critique of mobile media use among children and youth The volume also provides a culturally sensitive examination of mobile media use among children and youth describing and analyzing policies enacted to manage young people s smartphone use It acknowledges Asia as a large and diverse region with differing linguistic cultural and sociopolitical traditions and contexts and so the work does as far as possible look to ensure geographic and cultural diversity by prioritizing works from countries that are typically underrepresented It is a relevant text to graduates and researchers in communication and media studies social and developmental psychology human development studies science and technology information systems and design science

Four Days a Week Juliet Schor,2025-06-03 Bestselling author leading sociologist and economist Juliet Schor makes the case for a four day work week persuasively showing how this model can address major challenges such as burnout AI and the climate crisis and how employees companies and governments can work together to make it a reality Around the world long hours and intense pressure are taking their toll When the pandemic hit in 2020 work induced stress and burnout skyrocketed Many reached a breaking point Now three quarters of the world s employees are disengaged and struggling including in the US and Canada where half are experiencing high levels of daily stress Our current work culture the five day forty hours a week model which has gone unchanged for nearly a century is failing But a remedial countertrend has emerged the four day work week Kickstarter Bolt Basecamp ThredUp and hundreds of other employers have eliminated the fifth day of work successfully figuring out how to maintain productivity while seeing remarkable improvements in employee well being Hiring is easier and fewer people are quitting These results are global Working a four day week people feel energized capable and more optimistic about their lives and their jobs Four Days a Week is the first large scale study of this trend Juliet Schor an expert who has researched and written about work for more than four decades beginning with her New York Times bestseller The Overworked American in 1992 shares her pioneering analysis of the benefits of a shorter work week how companies can achieve them why the concept has taken so long to emerge and gain acceptance and why doing so will help a company s employees and its bottom line The book is a blueprint for implementing a change that once seemed radical but is now within reach

Hate Follow Erin Quinn-Kong,2024-10-08 A rich and witty story with two complicated women at its heart Hate

Follow is a beautiful debut Quinn Kong's story of an influencer mom sued by her resentful daughter is of the moment but its exploration of female power and privilege is timeless Amanda Eyre Ward New York Times bestselling author of *Lovers and Liars* This riveting thought provoking novel pulls back the curtain on influencer culture to reveal a story of a mother and daughter grappling with what they owe one another as they struggle to navigate life in the glaring public eye Influencer Whitney Golden has it all beautiful photogenic children a handsome new boyfriend a gorgeous house and designer clothes and beauty products that arrive on her doorstep every day After spending years building her brand as a widowed mother of four including twins to over a million followers the thirty seven year old is at the peak of her career But it all comes to a screeching halt when Mia her teenaged daughter announces she's tired of the social media life She wants nothing more to do with her mother's online brand and demands that not just she but her siblings and their deceased father be removed from Whitney's Instagram blog and just about everywhere else on the internet When Whitney doesn't agree Mia does the unthinkable She sues her mother What started as a family spat turns into a monumental case about child privacy individual agency and modern parenting that shatters Mia and Whitney's relationship and wreaks havoc on both their lives As the case ignites a media firestorm and unrelenting online bashing from a Greek chorus of internet snarkers Whitney has to decide whether she's willing to risk everything she's built to win back her daughter
