Goodreads Choice Deal Returns:

The Trumping of America Pamela Hines, 2018-08 Trump alone is not to blame How does it reflect on North American societal values when wealth trumps humanity selfish individualism trumps compassion the need to be entertained and to win trumps the truth and racism and misogyny are rewarded with the most powerful position in the world The political rise of Donald Trump from the cutthroat Republican primary process to his move to the White House has ushered in a new age of politics in the United States This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump's presidency Pamela Hines highlights the growing distortion of American democracy which threatens political systems around the world As a Canadian living just across the border Hines provides a unique perspective on the international impact of the election explores the roles of religion racism nationalism and gender bias and critiques the media and its reckless coverage of Trump's ascension The Trump presidency is a wake up call to citizens of the free world Democracy is at risk yet power remains in the hands of the people This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices while they still have the right to choose
