Current Studies in Management Information Systems Filiz VAROL GÜRDER,2023-11-06 **Facebooking the Anthropocene in Raja Ampat** Bob Ostertag,2021-07-06 Facebooking the Anthropocene in Raja Ampat is a deeply intimate look at the cataclysmic shifts between humans technology and the so called natural world Amid the breakneck pace of both technological advance and environmental collapse Robert Ostertag explores how we ourselves are changing as fast as the world around us from how we make music to how we have sex to what we do to survive and who we imagine ourselves to be And though the environmental crisis terrifies and technology overwhelms Ostertag finds enough creativity compassion and humor in our evolving behavior to keep us laughing and inspired as the world we are building overtakes the world we found A true polymath who covered the wars in Central America during the 1980s recorded dozens of music projects and published books on startlingly eclectic subjects Ostertag fuses his travels as a touring musician with his journalist's eye for detail and the long view of a historian Wander both the physical and the intellectual world with him Watch Buddhist monks take selfies while meditating and DJs who make millions of dollars pretend to turn knobs in front of crowds of thousands Shiver with families huddling through the stinging Detroit winter without heat or electricity Meet Spice Islanders who have never seen flushing toilets yet have gay hookup apps on their phones Our best writers have struggled with how to address the catastrophes of our time without looking away Ostertag succeeds where others have failed with the moral acuity of Susan Sontag the technological savvy of Lewis Mumford and the biting humor of Jonathan Swift Customer Xperience Leadership: A Blueprint To Maximize Performance Nadav Goldschmidt,2024-01-03

The success of private sector companies as well as public sector organizations is positively correlated with the level of customer experience they deliver Outstanding experiences lead to high performance satisfied customers and many other

positive outcomes Poor experiences lead to countless negative problems and obstacles within the company and dissatisfied frustrated customers outside Given the importance of experiences substantial resources are invested in improving them Yet the results are often disappointing Companies have a difficult time fulfilling customers expectations and satisfying their needs consistently over time Especially in the digital era we live in This raises a question Is there a roadmap that can help people and organizations achieve their experience goals This book focuses on this issue This interdisciplinary book offers a holistic step by step blueprint for students practitioners and managers interested in understanding how to create exceptional customer experiences and learning how to effectively manage them A unique model is presented It includes four parts which are broken down into fourteen lectures Each lecture deals with a specific topic and includes research based figures and graphs practical tools and easy to implement customer focused actions Every lecture is one piece of the blueprint and together they offer a path to experience leadership

The Subscription Boom Adam Levinter, 2019-10-08 In this clear and informed guide to the business model that's set to dominate twenty first century commerce Adam Levinter makes a compelling case that the phenomenal success of companies like Amazon Netflix Spotify and Salesforce wouldn't be possible without the foundation they all have in common subscription A surge of subscription boxes in 2012 earned buzz for offering everything from razors to meal kits to underwear since then the model has proven to be adaptable profitable and resilient even as many traditional retailers struggle to stay relevant in the digital economy Levinter takes a close look at the leaders of the subscription economy to pinpoint the essential elements of the model and prove that while the basic concept may be as old as magazines the ubiquity of the internet is enabling a new way

for businesses to scale and succeed The Subscription Boom shows that the appeal to both customers and businesses makes subscription a smart play for virtually any business The Foodpreneur's Guide: Starting and Scaling a Food Business,2025-01-20 Do you have a passion for food and the drive to build something extraordinary The Foodpreneur s Guide Starting and Scaling a Food Business is your ultimate playbook for turning your culinary talent into a profitable enterprise Whether you re dreaming of a food truck opening a restaurant launching a product line or dominating the catering world this book equips you with the tools strategies and insider tips to succeed in the competitive food industry Inside you ll learn how to Develop your food business idea into a standout brand Navigate licensing permits and legal requirements with ease Master cost effective strategies for sourcing ingredients and managing your supply chain Create marketing campaigns that build buzz and attract loyal customers Scale your business from expanding your menu to opening new locations or launching products Packed with real life success stories practical advice and step by step guidance The Foodpreneur s Guide helps you tackle common challenges avoid costly mistakes and build a business that s as sustainable as it is successful Whether you re just starting out or looking to take your food business to the next level this book is your recipe for success The food industry is calling will you answer Start your journey today with The Foodpreneur s Guide Starting and Scaling a Food Business

How to Resist Amazon and Why Danny Caine,2021-03-09 When a company s workers are literally dying on the job when their business model relies on preying on local businesses and even their own vendors when their CEO is the richest person in the world while their workers make low wages with impossible quotas wouldn t you want to resist Danny Caine owner of Raven Book Store in Lawrence Kansas has been an outspoken critic of the seemingly unstoppable Goliath of the bookselling world Amazon In this book he lays out the case for shifting our personal money and civic investment away from global corporate behemoths and to small local independent businesses Well researched and lively his tale covers the history of big box stores the big political drama of delivery and the perils of warehouse work He shows how Amazon s ruthless discount strategies mean authors publishers and even Amazon themselves can lose money on every book sold And he spells out a clear path to resistance in a world where consumers are struggling to get by In depth research is interspersed with charming personal anecdotes from bookstore life making this a readable fascinating essential book for the 2020s An Introduction to Information Systems David Whiteley,2017-09-16 A clear student friendly and engaging introduction to how information technology is used in business Featuring several case studies video interviews thorough pedagogy and completely up to date chapters this textbook will be a core resource for undergraduate students of Business Information Systems a compulsory module in business degrees
