Berry, 2025-06-03 NATIONAL BESTSELLER A dedicated journalist

unearths a generations old family secret and a connection to a string of missing girls that hits way too close to home in this nail biting debut Booklist A well written emotionally wrenching tale Associated Press In the wake of her grandmother's passing Sydney Singleton finds a hidden photograph of a little girl who looks more like Sydney than her own sister or mother She soon discovers the mystery girl in the photograph is her aunt Carol who was one of six North Carolina Black girls to go missing in the 1960s For the last several decades not a soul has talked about Carol or what really happened to her But now with her grandmother gone and Sydney looking to start a family of her own she is determined to unravel the truth behind her long lost aunt's disappearance and the sinister silence that surrounds her Unfortunately this is familiar territory for Sydney Years earlier while she worked the crime beat as a journalist her obsession with the case of another missing girl led to a psychotic break And now in the suffocating grip of fertility treatments and a marriage that's beginning to crumble Sydney's relentless pursuit for answers might just lead her down the same path of self destruction As she delves deeper into Carol's fate her own troubled past reemerges clawing its way to the surface with a vengeance The web of secrets and lies entangling her family leaves Sydney questioning everything her fixation on the missing girls her future as a mom and her trust in those she knows and loves Delving into family community secrets and motherhood We Don't Talk About Carol is a gripping and

deeply emotional story about overcoming the rot at the roots of our family trees and what we'll do for those we love
