ABOUT THE SERIES The king's magnificent palace was built in a matter of weeks. No one saw the builders; no villagers are allowed beyond the gilded gate, and only one servant has ever left. The haunted look in her eyes as she was recaptured by the palace guards is something Josie, daughter of the village healer, has never forgotten. For Josie, the palace is a mystery that grows more intriguing after she meets the captain of the guards, a man known only as Hammer, as mysterious and captivating as the palace itself. Whispers of magic fuel Josie's desire to uncover the truth, but an ordinary girl like her can only dream of ever being invited inside. When the king decides to take a wife from among the eligible daughters of the noble families, the palace gates are finally thrown open, and the kingdom's elite pour in. In a court where old rivalries and new jealousies collide, the king's favorite is poisoned, and the healer is summoned. As her father's assistant, Josie finally sees inside the lavish walls, but she soon learns the palace won't surrender its secrets easily. For not a single resident, from the lowest servant to the king himself, has a memory from before the palace existed. In her quest to help the servants, Josie becomes embroiled in courtly intrigues alongside the enigmatic captain. As their feelings for each other grow, the hopelessness of their situation becomes apparent. How can she love a man who doesn't know his own past? To make matters worse, they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear.

Nightfall is a town where young lovers like to go to be alone. But unlike most towns, Nightfall has a dark side. **Tale One** When Andrew Spencer stepped out of the rain and into Lara's life, she believed at last she could put her dark and secret past behind her. But on her wedding night, Lara knows she can no longer keep her secrets from her new husband. Lara is still in love with another, a man who lives in the shadows, but not only in the shadows of her past but of the night too. Setting out into the mountains for a secluded honeymooner's cottage, Lara's past finally catches up with her. Separated from Andrew in a freak storm, Lara finds herself alone in the cottage with another, someone who reawakens those dark and forbidden secrets that haunt her. **Tale Two** When Celia Jones decides to leave her husband, she makes for a remote village called Nightfall, where she rents a cottage on a desolate mountainside. Here she has arranged to meet her lover. With a bag of stolen money and paranoid that she is being hunted by the police, Celia reaches the cottage, but when a stranger arrives, her escape doesn't go according to plan. Celia discovers a daring and darker side that she didn't know existed until finding herself in the arms of the stranger who has arrived in Nightfall. *The Darker Side of Nightfall* is the perfect remedy for lovers of paranormal romance stories who are looking for something dark, racy, and mysterious to sink their claws into.
