Engaging the Gadfly Casey T. Sigmon, 2025-06-09 In 2020 most preachers and congregations were forced into online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining

room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesiologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology The Feathered World ,1900 **Hackers New SAT Reading: 10 Practice Tests** Daniel Kim,2016-01-04
