Evolution of the Modern Sports Fan Andrew C. Billings, Kenon A. Brown, 2017-03-21 The concept of fandom has been revolutionized over the past 20 years because of various technological cultural and communicative advancements Evolution of the Modern Sports Fan Communicative Approaches explores the elements of the sports fan that have markedly changed since the turn of the century Inherent within these investigations is the role of communication in a multitude of forms mediated relational etc as the prototypical sports fan has most heavily shifted within this domain From the advent of social media to the rise of fantasy sport to the increased media platforms in which to consume sport the sports fan has never had more options for consumption and for the rendering of his her opinions This edited volume offers an opportunity to advance what we now know about American sports fandom as well as the ability to debunk what scholars thought they knew about sports fandom that has now shifted

Fantasy Fans? Thomas Fitzpatrick Corrigan, 2007 ABSTRACT It is the contention of some members of the media that individuals who play fantasy sports particularly fantasy football have less allegiance to their favorite sports teams than individuals who do not play fantasy sports The following study aimed to evaluate the validity of these claims by comparing fantasy players and non fantasy players in three respects 1 their identification with their favorite NFL teams 2 their identification with their favorite fantasy football players and favorite NFL players respectively and 3 their identification with several points of attachment for NFL football including the teams players coaches the sport and the level of play This study aimed to add to the existing body of research on team identification and fantasy sports and it represents the first academic study to compare fantasy and non fantasy players A combination of paper and online surveys of 280 NFL fans at Florida State University revealed that fantasy football players identify with their favorite NFL teams at higher levels

than do NFL fans that do not play fantasy football contrary the contentions of the media Fantasy players also identified with their favorite fantasy football players at similar levels to non fantasy players identification with their favorite NFL players A number of other points of attachment for NFL fans were also addressed **PC Mag** ,2007-08-21 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Pro Football Prospectus** Aaron Schatz,2006-08 Presenting a new year of groundbreaking intelligence this guide includes team and player ratings that correct for situation and opponent to reveal true contributions to success a unique statistical toolbox featuring DPAR Defense adjusted Points Above Replacement and more **Communication Research Measures III** Elizabeth E.
