The Emperor and the Endless Palace Justinian Huang, 2024-03-26 Stonewall Book Award Winner 2025 A sweeping triumph in queer romance Booklist What if I told you that the feeling we call love is actually the feeling of metaphysical recognition when your soul remembers someone from a previous life In the year 4 BCE an ambitious courtier is called upon to seduce the young emperor but quickly discovers they are both ruled by blood sex and intrigue In 1740 a lonely innkeeper agrees to help a mysterious visitor procure a rare medicine only to unleash an otherworldly terror instead And in present day Los Angeles a college student meets a beautiful stranger and cannot shake the feeling they've met before Across these seemingly unrelated timelines woven together only by the twists and turns of fate two men are reborn lifetime after lifetime Within the treacherous walls of an ancient palace and the boundless forests of the Asian wilderness to the heart pounding cement floors of underground rave scenes our lovers are inexplicably drawn to each other constantly tested by the worlds around them As their many lives intertwine they begin to realize the power of their undying love a power that transcends time itself but one that might consume them both An unpredictable roller coaster of a debut novel *The Emperor and the Endless Palace* is a genre bending spicy romantasy that challenges everything we think we know about true love AUTHOR S NOTE *The Emperor and the Endless Palace* is a heart pounding romantasy full of shocking twists morally shifty characters and erotic thrills When it comes to the romance within this novel you can expect equal parts mess and swoon but its central thread is an epic tale of true love against all the odds *Vanquish* Z.L.
