Analyzing the Strategic Role of Social Networking in Firm Growth and Productivity Benson, Vladlena,Tuninga, Ronald,Saridakis, George,2016-08-31 Social media platforms have emerged as an influential and popular tool in the digital era No longer limited to just personal use the applications of social media have expanded in recent years into the business realm Analyzing the Strategic Role of Social Networking in Firm Growth and Productivity examines the role of social media technology in organizational settings to promote business development and growth Highlighting a range of relevant discussions from the public and private sectors this book is a pivotal reference source for professionals researchers upper level students and academicians *Digital Humanitarians* Patrick Meier,2015-01-06 The overflow of information generated during disasters can be as paralyzing to humanitarian response as the lack of information This flash flood of information social media satellite imagery and more is often referred to as Big Data Making sense of this data deluge during disasters is proving an impossible challenge for traditional humanitarian Lurking Joanne McNeil,2020-02-25 One of Esquire s Best Books to Elevate Your Reading List in 2020 and a OneZero Best Tech Book of 2020 Named one of the 100 Notable books of 2020 by the End of the World Review A concise but wide ranging personal history of the internet from for the first time the point of view of the user In a shockingly short amount of time the internet has bound people around the world together and torn us apart and changed not just the way we communicate but who we are and who we can be It has created a new unprecedented cultural space that we are all a

part of even if we don't participate that is how we participate but by which we're continually surprised, betrayed, enriched, befuddled. We have churned through platforms and technologies and in turn been churned by them. And yet the internet is us and always has been. In *Lurking*, Joanne McNeil digs deep and identifies the primary if sometimes contradictory concerns of people online: searching, safety, privacy, identity, community, anonymity, and visibility. She charts what it is that brought people online and what keeps us here even as the social equations of digital life, what we're made to trade knowingly or otherwise for the benefits of the internet, have shifted radically beneath us. It is a story we are accustomed to hearing as tales of entrepreneurs and visionaries and dynamic and powerful corporations, but there is a more profound, intimate story that hasn't yet been told. Long, one of the most incisive, ferociously intelligent and widely respected cultural critics online, McNeil here establishes a singular vision of who we are now, tells the stories of how we became us, and helps us start to figure out what we do now. *D.J. Rosenblum Becomes the G.O.A.T.* Abby White, 2025-08-05

A fresh new voice, Abby White delivers the perfect dose of humor and heartbreak with her debut *D.J. Rosenblum Becomes the G.O.A.T.* Readers will root for D.J. as she navigates a new home, friends, even a crush, with such insight and truth. A standout, especially young adult, from an exciting new voice, Lilliam Rivera's *Barely Floating*. Such a fun read. Rick Riordan's *WHERE*. Middle Woods Briar, Ohio. *VICTIM*. Rachel Simon's *HERO*. D.J. Rosenblum's *VILLAINS*. It's the beginning of the school year and Briar's newest resident, D.J. Rosenblum, is not here for it. Ever since her cousin Rachel died, D.J.'s family has been a mess. Her aunt and uncle are catatonic. Her mom is even more scatterbrained than usual. She had to postpone her bat mitzvah a whole year. Worst of all, she and her mom had to move, leaving her best friend Eva behind. Briar does have one redeeming factor, though. Here in Rachel's hometown, D.J. can finally get to the bottom of her cousin's death. With the help of a chatty journalist and a queen bee hacker, D.J. can fill in the last days of Rachel's life. And if she can just figure out her Torah portion with help from her cute tutor, Jonah, maybe just maybe she'll be able to solve a bigger mystery. For fans of *Looking for Alaska* and *Never Have I Ever*, comes Abby White's debut novel *D.J. Rosenblum Becomes the G.O.A.T.* It's a basket of matzo ball soup, dumplings for anyone learning to chart their own path, navigate new friendships and crushes, and figure out how to love and live after loss. **The New True Crime** Diana Rickard, 2023-09-05

The New True Crime: How the Rise of Serialized Storytelling Is Transforming Innocence looks at how criminal justice and popular culture intersect in true crime documentaries about wrongful conviction and what they tell us about how truth and innocence are constructed across media. **Deep Dark Blue** Polo Tate, 2018-05-01

A memoir of surviving sexual abuse in the Air Force academy, *I Want to Be in the Air Force Someday*. These are the words Polo Tate engraved on her junior dog tags at age eleven. It was an unpopular dream for most young girls, but her hard work paid off, and at age eighteen, Polo started basic training at the United States Air Force Academy. She does everything right, from academics to athletics. But no one prepared her for what came next: physical, sexual, and emotional abuse at the hands of her superiors. Harassment from peers who refused to believe her story. *Deep Dark Blue* is more than a memoir about sexual

assault It's about breaking boundaries but also setting them It's about learning to trust your instincts It's a story of survival resilience and finally finding your joy

NXT Story penned by former Power Slam scribe and WhatCulture.com's own Michael Sidgwick chronicles the history of WWE's NXT brand. NXT has drawn universal critical acclaim for its fan service fusion of old school booking philosophies and progressive body of in-ring work, but the road to critical acclaim was arduous. When WWE destroyed its territorial and mainstream competition, the monolith had also annihilated the talent pool. Replenishing it was an unenviable task made all the more difficult by a blasé and counterproductive attitude and a curiously myopic direction. All of which is documented in a book covering the inauspicious beginnings of the dusty Stamford Farm warehouse and the murmurings of Memphis Power Pro, the halcyon days of Ohio Valley Wrestling, the infamous disaster of Deep South Wrestling, and the literal lunacy that was Florida Championship Wrestling. The roots of the triumph that was NXT were toxic.
