160 DIGITAL SAT STUDY GUIDE

## Adaptive Test Overview

As we about made on Chapter 10's Practice Test, this will describe the section-adaptive format of the Digital SAT. Depending on your performance on the first module of each section, you will receive a more difficult or less difficult second module of each section. (To select a module, you'll see a potential question selected. Once we're overlapping questions in any of the modules—i.e., from the Reading and Writing Module 20, for example, you may not go back and try Reading and Writing Module 24 for a more practice question.) The format of the test is outlined in the table below. The sections are outlined throughout the book sections. Good luck!
