Joshi,Mehmet Ergezer,Valentina Emilia Balas,2025-02-24 The papers in this book are high quality refereed papers presented at ICAIA 2024 the second International conference on Artificial Intelligence and Applications held at Maharaja Surajmal Institute of Technology New Delhi in collaboration with Wentworth Institute of Technology Boston USA in March 2024 This book presents new and innovative developments and applications in machine learning data mining neural networks computation optimisation technologies followed by research applications in signals language and classification prediction recommendations and systems This book is essential for researchers and practitioners in this field Mark Lane Express ,1923 **Engaging the Gadfly** Casey T. Sigmon,2025-06-09 In 2020 most preachers and congregations were forced into online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesiologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology **Essentials of Marketing Analytics, 1e** Joseph F. Hair (Jr.),Dana E. Harrison,Haya Ajjan,2021 We developed this new book with enthusiasm and great optimism Marketing analytics is an exciting field to study and there are numerous emerging opportunities for students at the undergraduate level and particularly at the master s level We live in a global highly competitive rapidly changing world that is increasingly influenced by digital data expanded analytical capabilities information technology social media artificial intelligence and many other recent developments We believe this book will become the premier source for new and essential knowledge in data analytics particularly for situations related to marketing decision making that can benefit from marketing analytics which is likely 80 percent of all challenges faced by organizations **The Literary Digest** ,1914 **AI First** Adam Brotman,Andy Sack,2025-06-24 AI is going to change brand strategy and marketing forever Are you ready What does the rapid rise and astonishing rate of improvement of AI mean for brands in the next five years Listen to what OpenAI CEO Sam Altman told authors Adam Brotman and Andy Sack when he met them It will mean that 95 percent of what marketers use agencies strategists and creative professionals for today will easily nearly instantly and at almost no cost be handled by AI No problem Upon hearing that astonishing statement the authors began a journey of discovery to understand what the

transition to an AI first world would mean You ll hear from a who s who of tech visionaries who spoke with the authors including Altman himself Bill Gates and Reid Hoffman sharing how they re thinking of the transition to the new reality You ll also hear from practitioners bold enough to be surfing this tidal wave of change including one who audaciously mandated experimentation with AI for all his employees Brotman is the former chief digital officer at Starbucks pivotal in the development of the coffee giant s mobile payment and loyalty programs Sack is a legendary tech visionary and former adviser to Microsoft CEO Satya Nadella Together they formed the strategic consultancy Forum3 to take on every aspect of the challenge of becoming an AI first organization including how you think about the design of jobs what skills you need to develop within your organization what your customers will expect from your brands and how you can achieve early wins In the AI first arena where almost anyone can build creatively engaging brands quickly and cheaply you need to know how to compete It s time to get ready for a brand new world Start here **The Feathered World** ,1900
