The Subscription Boom Adam Levinter,2019-10-08

In this clear and informed guide to the business model that s set to dominate twenty first century commerce Adam Levinter makes a compelling case that the phenomenal success of companies like Amazon Netflix Spotify and Salesforce wouldn t be

possible without the foundation they all have in common subscription A surge of subscription boxes in 2012 earned buzz for offering everything from razors to meal kits to underwear since then the model has proven to be adaptable profitable and resilient even as many traditional retailers struggle to stay relevant in the digital economy Levinter takes a close look at the leaders of the subscription economy to pinpoint the essential elements of the model and prove that while the basic concept may be as old as magazines the ubiquity of the internet is enabling a new way for businesses to scale and succeed The Subscription Boom shows that the appeal to both customers and businesses makes subscription a smart play for virtually any business

Netflixed Gina Keating, 2012-10-11 Netflix has come a long way since 1997 when two Silicon Valley entrepreneurs Marc Randolph and Reed Hastings decided to start an online DVD store before most people owned a DVD player They were surprised and elated when launch day traffic in April 1998 crashed their server and resulted in 150 sales Today Netflix has more than 25 million subscribers and annual revenues above 3 billion Yet long term success or even survival is still far from guaranteed Journalist Gina Keating recounts the absorbing fast paced drama of the company's turbulent rise to the top and its attempt to invent two new kinds of business First it engaged in a grueling war against video store behemoth Blockbuster transforming movie rental forever Then it jumped into an even bigger battle for online video streaming against Google Hulu Amazon and the big cable companies Netflix ushered in such innovations as DVD rental by mail a patented online queue of upcoming rentals and a recommendation algorithm called Cinematch that proved crucial in its struggle against bigger rivals Yet for all its success Netflix is still a polarizing company Hastings is often heralded as a visionary he was named Business Person of the Year in 2010 by Fortune even as he has been called the nation's worst CEO Netflix also faces disgruntled customers after price increases and other stumbles that could tarnish the brand forever The quest to become the world's portal for premium video on demand will determine nothing less than the future of entertainment and the Internet Drawing on extensive new interviews and her years covering Netflix as a financial and entertainment reporter Keating makes this tale as absorbing as it is important

Integrating Pop Culture into the Academic Library Melissa Edmiston Johnson, Thomas C. Weeks, Jennifer Putnam Davis, 2022-07-26 From Library Journal A comprehensive book providing information on the rationale for connecting pop culture to library services and offering a range of projects to get students into the library Integrating Pop Culture into the Academic Library explores how popular culture is used in academic libraries for collections instruction and programming This book describes the foundational basis for using popular culture and discusses how it ignites conversations between librarians and students making not only the information relatable but the library staff as well The use of popular culture in the library setting acknowledges the importance of students' interests and how these interests can be used to understand their information needs in unique and interesting ways By integrating popular culture into library collections instruction and programming librarians present research and discovery in ways that connect with students and the broader community This book demonstrates that

academic libraries using popular culture find it to be an effective tool both for instruction and programming The editors are librarians who utilize popular culture in various ways to provide instruction and reinforce information literacy concepts in their own practice Readers will find chapters written by a variety of authors from different types of academic libraries including community colleges comprehensive universities research universities and law schools These unique perspectives offer readers different ways of thinking about how librarians can incorporate students interests in popular culture to promote the mission of the library In addition to well known examples such as Hamilton The Musical Pok mon Harry Potter Black Panther and Barbie readers will also encounter lesser known library applications of popular culture including cartoneras zines fantasy maps gaming collectives and paranormal walking tours All of these examples highlight the multiple way libraries leverage popular culture to expand their reach and identity with students and the community at large
