From training staff members to establishing budgets, and development programs, I outrival at thrusting revenue and sales growth, and managing top-producing teams. Highlights of my experience include –

- During my previous role at ***, I increased sales revenue by 62% in my first six months by enforcing multiple sales channels.
- Successfully cut down payroll expenses by 26% in the first half year by providing each staff with specific roles within each position – I was able to reduce our employees down to 6 associates and 3 supervisors per shift.
- Demonstrable skills in product processing systems, recruitment, hiring, and training of associates; these skills will boost *** sales revenue, manage employee schedules, and trim the operating budgets.
- Bachelor's degree in Retail Management from *** University, and certified in Store Management and comfortable using store-logistics tech.

My skills in staff and operations management along with dynamic leadership skills enable me to work in a challenging environment like ***. Given that **** is around the corner, I am sure that I am flexible to work during late hours, and during bust holiday seasons. I also assure you that my additional talents will readily translate to your environment.
