The Mutiny of the Elsinore Jack London,2021-01-04 From the first the voyage was going wrong Routed out of my hotel on a bitter March morning I had crossed Baltimore and reached the pier end precisely on time At nine o clock the tug was to have taken me down the bay and put me on board the Elsinore and with growing irritation I sat frozen inside my taxicab and waited On the seat outside the driver and Wada sat hunched in a temperature perhaps half a degree colder than mine And there was no tug Possum the fox terrier puppy Galbraith had so inconsiderately foisted upon me whimpered and shivered on my lap inside my greatcoat and under the fur robe But he would not settle down Continually he whimpered and clawed and struggled to get out And once out and bitten by the cold with equal insistence he whimpered and clawed to get back His unceasing plaint and movement was anything but sedative to my jangled nerves In the first place I was uninterested in the brute He meant nothing to me I did not know him Time and again as I drearily waited I was on the verge of giving him to the driver Once when two little girls evidently the wharfingers daughters went by my hand reached out to the door to open it so that I might call to them and present them with the puling little wretch **The Cruise of the Dazzler** Jack London,1902

When God Laughs and Other Stories (Annotated) Jack London,2021-04-03 Differentiated book It has a historical context with research of the time When God Laughs and Other Stories by Jack London Named after the first story about a couple trying in vain to maintain an intensely idealistic romance against the erosions of time and the fickleness of human nature the collection explores themes for which London became famous the fight for survival in the midst of hostility environments the most elemental drives of human nature and worker abuse in industrialized society In The Apostate his concerns with the working poor and his disgust for pre union capitalism are evident in a grim story about a young man who is brutalized by subhuman working conditions in a textile factory but achieves a kind of liberation in the end London s fascination with

primitive male characters is evident in Just Meat a tale of two thieves planning the death of the other in a selfish attempt at a treasure trove of recently stolen jewelry Like her famous novel The Sea Lion the Make Westing and The Francis Spaight stories described as A True Tale Retold portray corrupt sea captains who abuse and terrorize their crews during nightmarish voyages In the closing story A Piece of Steak London sternly portrays the desperate struggles of an aging boxer as he takes on a younger contender in most of a grueling twenty round fight **The Mutiny of the Elsinore** Jack London,1915 The Mutiny of the Elsinore is a novel by the American writer Jack London first published in 1914 After death of the captain the crew of a ship split between the two senior surviving mates During the conflict the narrator develops as a strong character rather as in The Sea Wolf It also includes some strong white racist views which were part of London s complex world view
