Minerals in Africa Francis

Gudyanga,2020-08-10 Africa s dire need to industrialize is universally acknowledged and it is evident that the continent s vast mineral resources can catalyze that industrialization This requires the promotion of local beneficiation and value addition of minerals to yield materials on which modern Africa s industry and society can rely This book is therefore about transforming Africa s comparative advantages in minerals into the continent s competitive edge regarding materials Mineral beneficiation and value addition form the basis and provide opportunities for mineral driven Africa s industrialization The

scope of the book is three fold with inter connected relationships Information Technical and Policy oriented It will be a useful reference material for mining undergraduate students on beneficiation and value addition of each of the minerals found in Africa The book while presenting a broad overview of beneficiation and value addition of Africa s minerals provides crucial starting material for postgraduate research students and R D institutions who wish to delve into more advanced methods of extraction and utilization of mineral derived materials that are in Africa for the purpose of industrialization of the continent
