Understanding Codependency, Updated and Expanded Joseph Cruse, Sharon Wegscheider-Cruse, 2012-06-05 The groundbreaking book *Understanding Co-Dependency* ushered in a new way of thinking about codependency and helped millions of people discover if they were co-dependent if they were living with a co-dependent and how to break the cycle. Now in this revised edition, Joseph Cruse, founding medical director of The Betty Ford Center, provides findings and insights into codependency. Cruse explores this brain connection and expands on the all-important issues of trauma, it relates to codependency, denial, low self-esteem, and self-worth. With updated case studies and exercises, *Understanding Codependency* dispels the notion that the cycle of codependency can't be broken, offering readers a lifeline to the fulfilling relationships and lives they deserve.
